Services provided are based on the 4 Pillars of Early Childhood Development:

- *Early Learning:* Enhance child development with positive experiences and play;
- *Parenting Education:* Build parenting skills to support child development:
- *Family Wellness:* Work with partners to provide services to support health and wellness;
- *Information Referrals:* Link families to supports.

The Yorkton Early Years Family Resource Centre is a community-based facility where families with children from birth to five years of age can access drop-in and play times and quality programming.

The services offered are aimed at supporting healthy childhood development and parent education. All services are free and anyone is welcome to attend.

We want to be part of your village, helping your family navigate parenthood with the best tools at your disposal.

PLAY. LEARN. GROW. Together.
