SIGN provides programs serving all ages in Yorkton and east-central Saskatchewan. It is a not-for-profit organization and registered charity with a volunteer Board of Directors.

The board governs SIGN, ensuring that the organization fulfills the strategic priorities it sets out, while always adhering to the values and policies it has established. The ongoing operation of SIGN is the responsibility of the Chief Executive Officer.

The board meets six times a year, and as required from time to time. Board members serve a three-year term (with a three-term limit) and are elected by the members at the Annual General Meeting held each June. The board elects its own executive officers, and has five standing committees:

- Advocacy and Community Relations,
- Finance and Audit,
- Governance,
- Evaluation and Compensation,
- Fundraising.

Board members contribute to committees based on their knowledge, interests and experience.
