

Training for First Responders to Sexual Assault and Abuse

June 17 and 18, 2019
SIGN on Broadway, Yorkton SK

The First Responder training is designed to educate individuals about the social, cultural and legal aspects of sexual assault and abuse, which will enable them to recognize, define and respond appropriately to the continuum of behaviors that constitute sexual assault.

Included are the following topics:

- * Critical communication skills
- * Sexual assault
- * Child sexual abuse indicators
- * Adults who were sexually abused
- * Sexual harassment
