

VINYL WRAPS, DECALS & PPF – DISCLOSURE & ACCEPTANCE OF RISK

WFANZ Certified Member – WWFA369 | Qualified Installers | Professional Workmanship

This document outlines important information regarding the inherent risks associated with installation, removal, curing, and ongoing care requirements. Please read carefully before signing.

PAINT & SURFACE RISKS

- Factory paint, repaired surfaces, body filler, ceramic coatings, or aged finishes may react unpredictably.
- Poorly bonded paint or prior repairs may lift during installation or removal.
- Existing scratches, chips, swirl marks, or oxidation may remain visible beneath films.

INSTALLATION & REMOVAL RISKS

- Removal may damage paint, clear coat, trims, decals, coatings, or accessories.
- Complex curves, textured surfaces, or aftermarket accessories may affect finish quality.
- Some clips, trims, or mouldings may become brittle or break during removal.

MARINE-SPECIFIC RISKS

- Marine gel coat and painted surfaces vary significantly in adhesion quality.
- Salt and UV exposure accelerate wear and degradation.

FINISH EXPECTATIONS

- Minor seams, edge lines, relief cuts, or cosmetic imperfections may occur within industry tolerances.
- Film colour and gloss appearance may vary under different lighting conditions.

LIMITATION OF LIABILITY

The customer acknowledges that the services being performed involve inherent risks which may occur despite the use of professional industry-standard methods, materials, and reasonable care.

To the maximum extent permitted by law, the customer agrees that Shady Tintz shall not be held liable for:

- Pre-existing defects or weaknesses in glass, paint, trims, electronics, coatings, glazing systems, plastics, or substrates
- Thermal stress breakage
- Damage arising from aged, brittle, repaired, aftermarket, modified, or previously worked-on surfaces or components
- Failure of paint, coatings, adhesives, trims, demister lines, sensors, electronics, or regulators where such failure relates to pre-existing condition, age, manufacturing defect, environmental exposure, or prior repairs
- Unavoidable cosmetic imperfections that fall within accepted industry tolerances
- Damage occurring as a result of risks disclosed within this document and accepted by the customer

The customer acknowledges that certain risks cannot be completely eliminated even where all reasonable care and accepted industry procedures are followed.

Nothing in this agreement excludes rights or guarantees that cannot lawfully be excluded under Australian Consumer Law.

CUSTOMER INFORMATION PACK ACKNOWLEDGEMENT

- The customer acknowledges they have been provided with an information pack relating to:
 - Care and maintenance requirements
 - Warranty information
 - Industry accepted inclusions and tolerances
 - Expected curing and drying times
 - Product-specific aftercare requirements

CUSTOMER ACKNOWLEDGEMENT & ACCEPTANCE

- I have read and understood this disclosure document in full.
- I have had the opportunity to ask questions.
- I understand and accept the inherent risks associated with the requested works.
- I understand that frameless windows may require settling, adjustment, or altered operation after tint installation.
- I authorise Shady Tintz to proceed with the requested works under the conditions outlined above.
