

# *The Nutcracker and Other Stories*

Saturday, December 10<sup>th</sup> 11:45

starring **YOU** the Lace 'em Up Learn to Skate students

## Dear Parents and Skaters.

This season's holiday performance - *The Nutcracker and Other Stories* - is an opportunity for skaters to showcase what they have learned while performing programs with their classmates and friends.

**Ensemble** (students will be placed together based on skating level), **and specialty features** are open to all Lace 'em Up Learn to Skate and Hockey participants. Practices will be held during group Learn to Skate classes. As a learning tool, all students in ensemble numbers will learn choreography to the program regardless of their participation in the show.

**Specialty features and solos** are open to private lesson students.

Additional practices and a full "dress" rehearsal may be scheduled on the week of November 28.

Please complete this registration form and return it to Jill Mintz-Hodyl by October 29<sup>th</sup> to reserve your space.
