NEWS RELEASE

For Immediate Release
Heritage Orders Three Extraction Systems

Vancouver, B.C., February 5, 2019 – HERITAGE CANNABIS HOLDINGS CORPORATION (CSE: CANN) (“Heritage” or “Company”) is pleased to announce the expansion of its extraction capacity with the order of three new Vitalis extraction systems, expected to be delivered before the end of February 2019.

This order will see two new units to be delivered to CannaCure Corp (“CannaCure”) in Fort Erie, ON, and one new unit to be installed in addition to the Company’s existing extraction unit at Falkland, BC in the PhyeinMed Inc. (“PhyeinMed”) location. Once installation of all four systems are completed, and the necessary licenses from Health Canada are obtained, Heritage will become one of the largest processing companies in Canada in terms of extraction capacity.

“The team at Heritage continues to execute our business plan, driving our company forward towards our ultimate goal of becoming a fully integrated, industry leader in the Canadian cannabis industry.” states Clint Sharples, CEO of Heritage “The expertise we acquired from Purefarma Solutions in December has allowed us to expedite extraction plans and will enable us to achieve our revenue goals set for Q2.”

The Company expects the installation of these units at CannaCure and PhyeinMed to be completed by the end of March 2019.

About Heritage Cannabis Holdings Corp.
