

Planet Duran

“Experience Planet Duran's epic tribute to Duran Duran”

Planet Duran brings audiences the sights and sounds of Duran Duran. Performing all the bands top hits, such as; View To A Kill, RIO, Reflex, Wild Boys and many more.

The bands current catalog of songs is enough to cover a full 2 hour show. Planet Duran's full sound of instruments and epic harmonies will have fans of the original band up and dancing.

Rounding out Planet Duran's live players are; JD, on backup vocals and David G. Maki, on the brass.

Exciting and compelling, Planet Duran will bring the energy.
