## Customer Testimonials

*Caliber's has amazing feed, and even better pricing and delivery! 10/10! I highly recommend them!*

-Loren

*We were looking for a better quality feed and price for our chickens, and we found it at Caliber Feed in Windsor! Their layer mash is excellent. Our chickens are healthy and their production is up! Super nice people too!*

-Cliff

*I love Caliber's! They have really good mixes. My animals seem to like it more than other feeds, and with their low prices, they definitely have my business!*

-Cora
