

## How can you help hedgehogs?

- Use our simple **step-by-step** guide to make your own hedgehog friend
- Use the “**Help a Hedgehog**” sheet to learn what they need and how you can offer a better environment for them?

Take a small ball of **air-dry clay** and **cocktail sticks**.

**Mould** the clay to a **tear drop** shape.

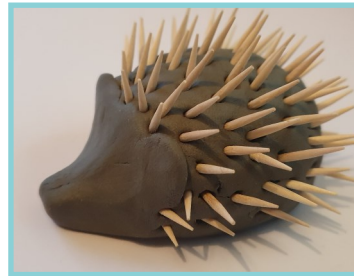

Form the **snout** and then add some **ears!**

Break off the ends of **cocktail sticks** and push them in to **cover the body**.

Allow the clay to **dry overnight**.

**Paint** and add on a **nose** and **eyes**. You now have your own **hedgehog desk friend!**

## How can you help hedgehogs?

Check out our **activity sheet** and then visit Garden Wildlife Project ([www.wildlifegardenproject.com](http://www.wildlifegardenproject.com)) search “**hedgehog**” for more details and “**how to**” videos!

# HELP A HEDGEHOG

Can you find what the hedgehog needs to be healthy and happy?

- Beetles and other bugs to eat.
- A pond get a drink of water.
- Holes in fences to sneak through.
- A pile of leaves to sleep in over winter.
