

MARINE MAMMALS ACTIVITY PACK

Thank you for supporting **National Mammal Week!**

This pack includes a range of fun activities designed for different age groups, with something suitable for everyone.

Simply print what you need, and don't forget to share your experiences on your school's social media channels.

Please share **#NationalMammalWeek** and support the incredible work of the **Mammal Society** and **British Divers Marine Life Rescue** by following them, and if possible, raising some funds.

Polar Pencil Pal

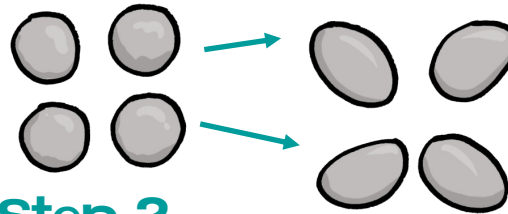

#nationalmammalweek

You'll never lose your pencil again with this easy to make narwhal!

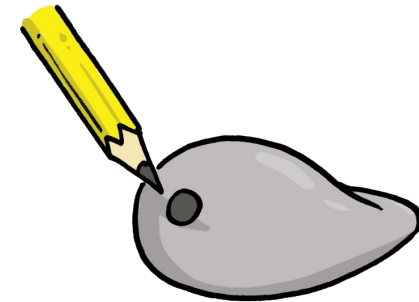

Step 1

Take your air-dry clay and roll in to a smooth shape. One end is thicker and rounded.

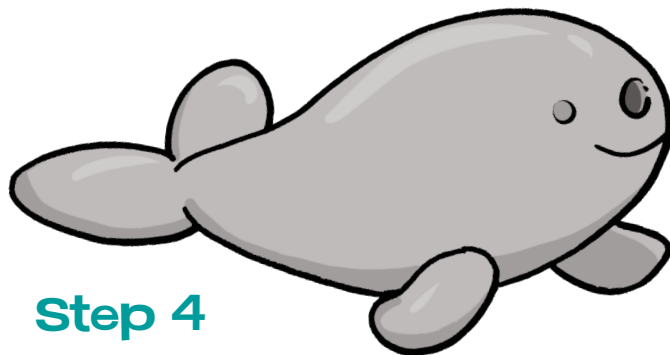

Step 2

Make smaller balls of clay and press into flatter shapes for the fins.

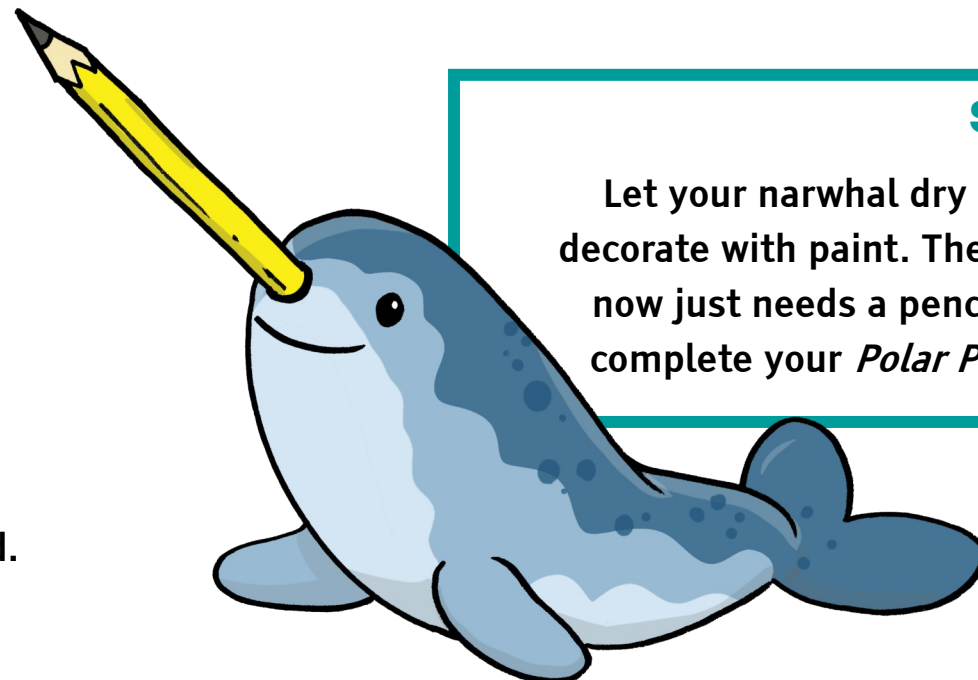

Step 3

Using a pencil, make a deep hole into the thick end of your large piece

Step 4

Assemble the tail and front fins.
Press these in firmly so they stay connected.
Sculpt eyes and a mouth.

Step 5

Let your narwhal dry solid and decorate with paint. The narwhal now just needs a pencil tusk to complete your *Polar Pencil Pal!*

Pupcakes

You could make these delicious baby seal pupcakes to enjoy yourself, or you could have a marine mammal themed cake sale to raise funds!

cake recipe

175g caster sugar

175g plain flour

175g baking fat

1 egg

1 tsp of lemon juice or vanilla essence

(a splash of milk to loosen the mix if needed)

Bake at 180°C for 12—15 minutes

decoration

icing sugar

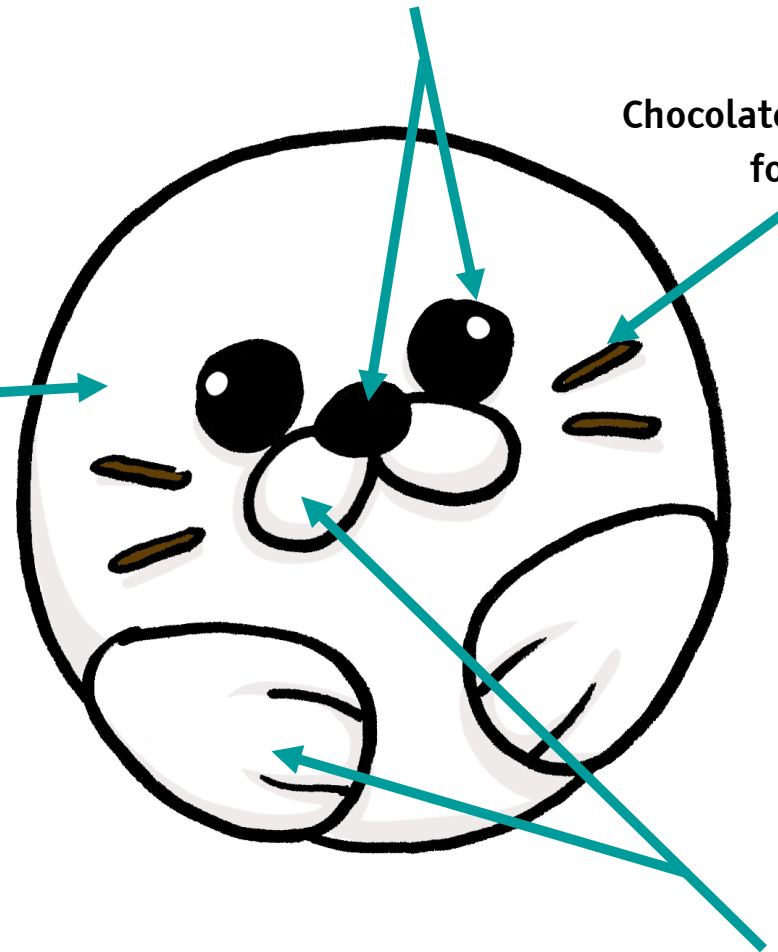

ready rolled icing (white and black)

chocolate sprinkles

Cover your cakes with white icing.

Either chocolate drops or black icing makes the eyes and nose.

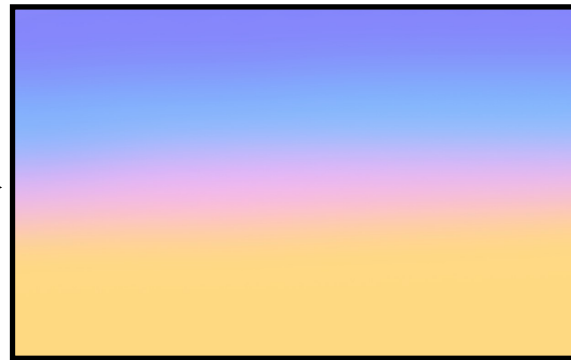

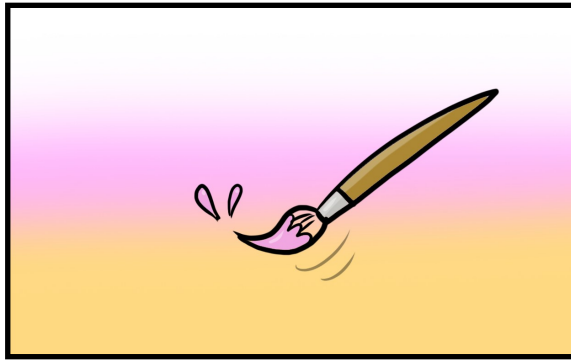

Chocolate sprinkles for whiskers

Rolled icing makes a snout and flippers

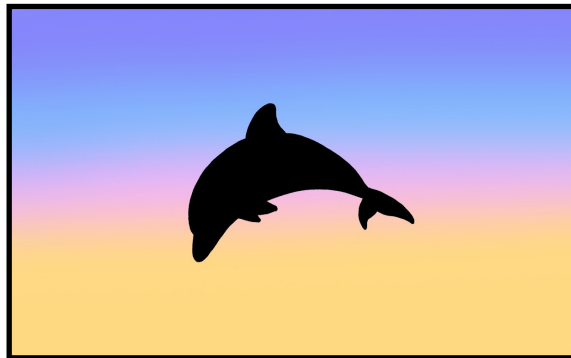

#nationalmammalweek

Sunset Silhouettes

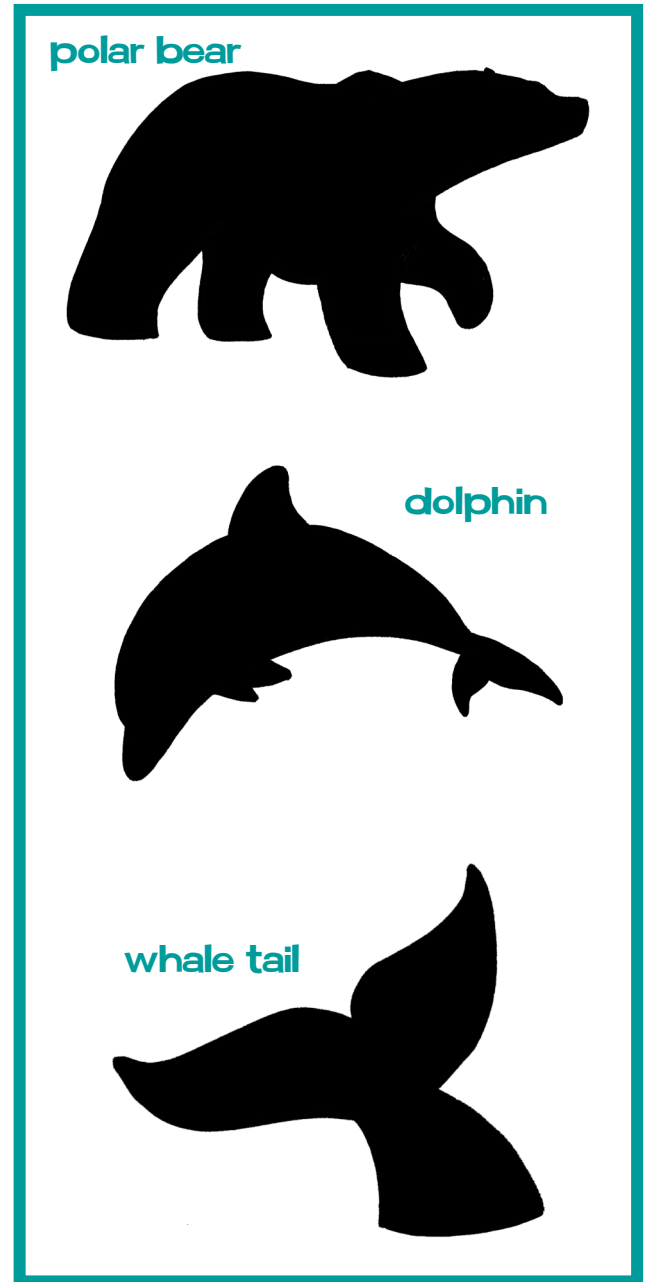

Merge lines of watercolour paint to create your sunset...

Add your silhouette. You can copy, cut out or design your own. Finish by adding extra details (e.g. horizon, seabirds, splashes)

Why not experiment with other designs and colours?

#nationalmammalweek

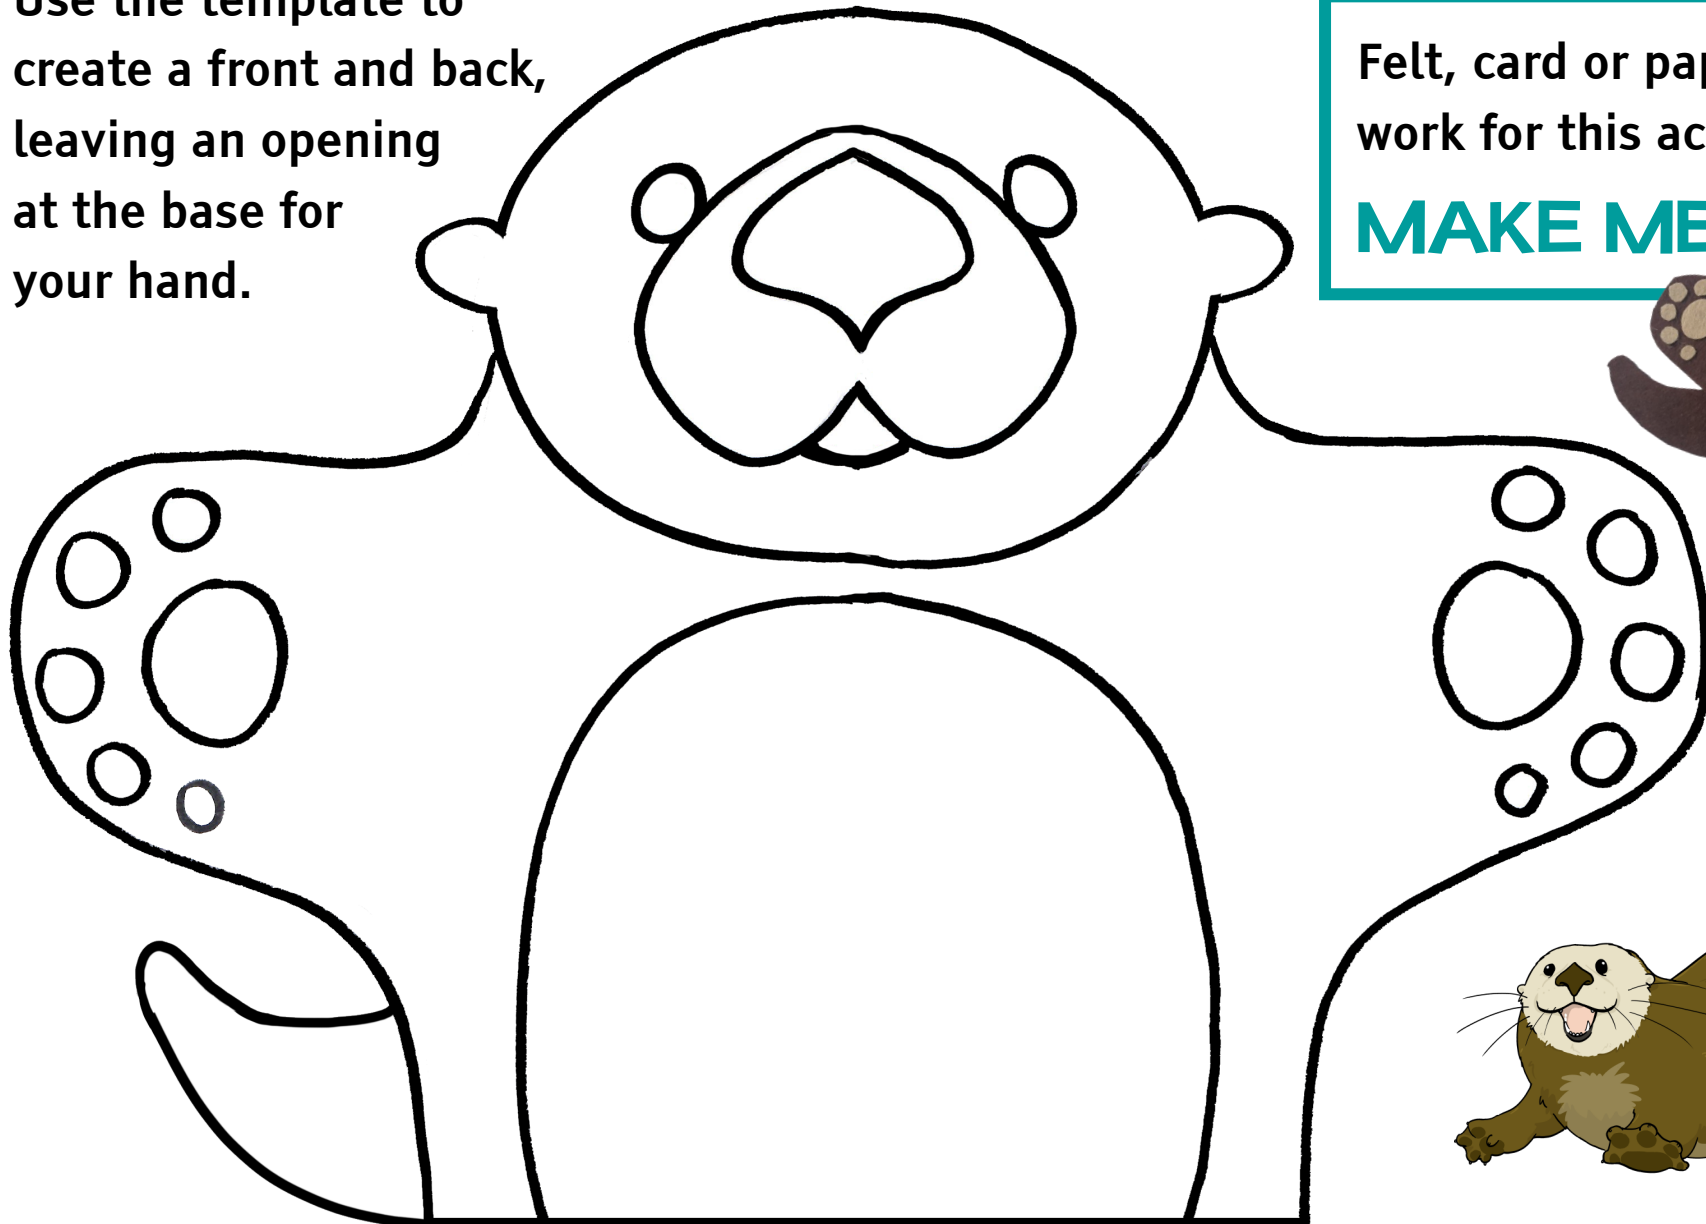

Sea Otter Puppet

#nationalmammalweek

Use the template to create a front and back, leaving an opening at the base for your hand.

Felt, card or paper could all work for this activity.

MAKE ME!

sea otter

Poster Design

Choose which type of poster you want to create.

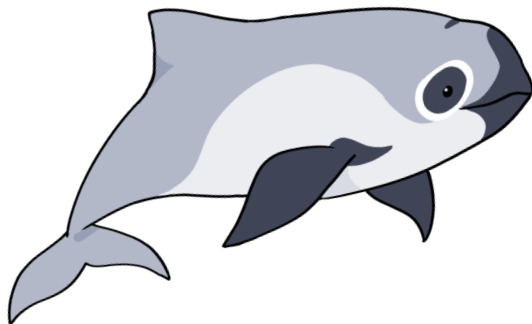

#nationalmammalweek

Don't forget to share on your school socials...

FABULOUS FACTS

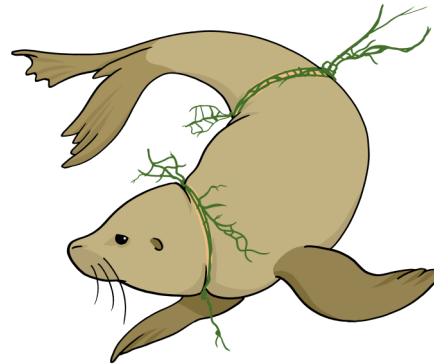

Create an illustrated fact sheet about a group or species.

Research sizes, diet, behaviours and adaptations.

CALL FOR CONSERVATION

Show how urgent action is needed to protect our marine mammals. Consider any of the issues seen in the book.

ADVOCATE AWARENESS

Help celebrate the organisations that promote the protection of our marine mammals.

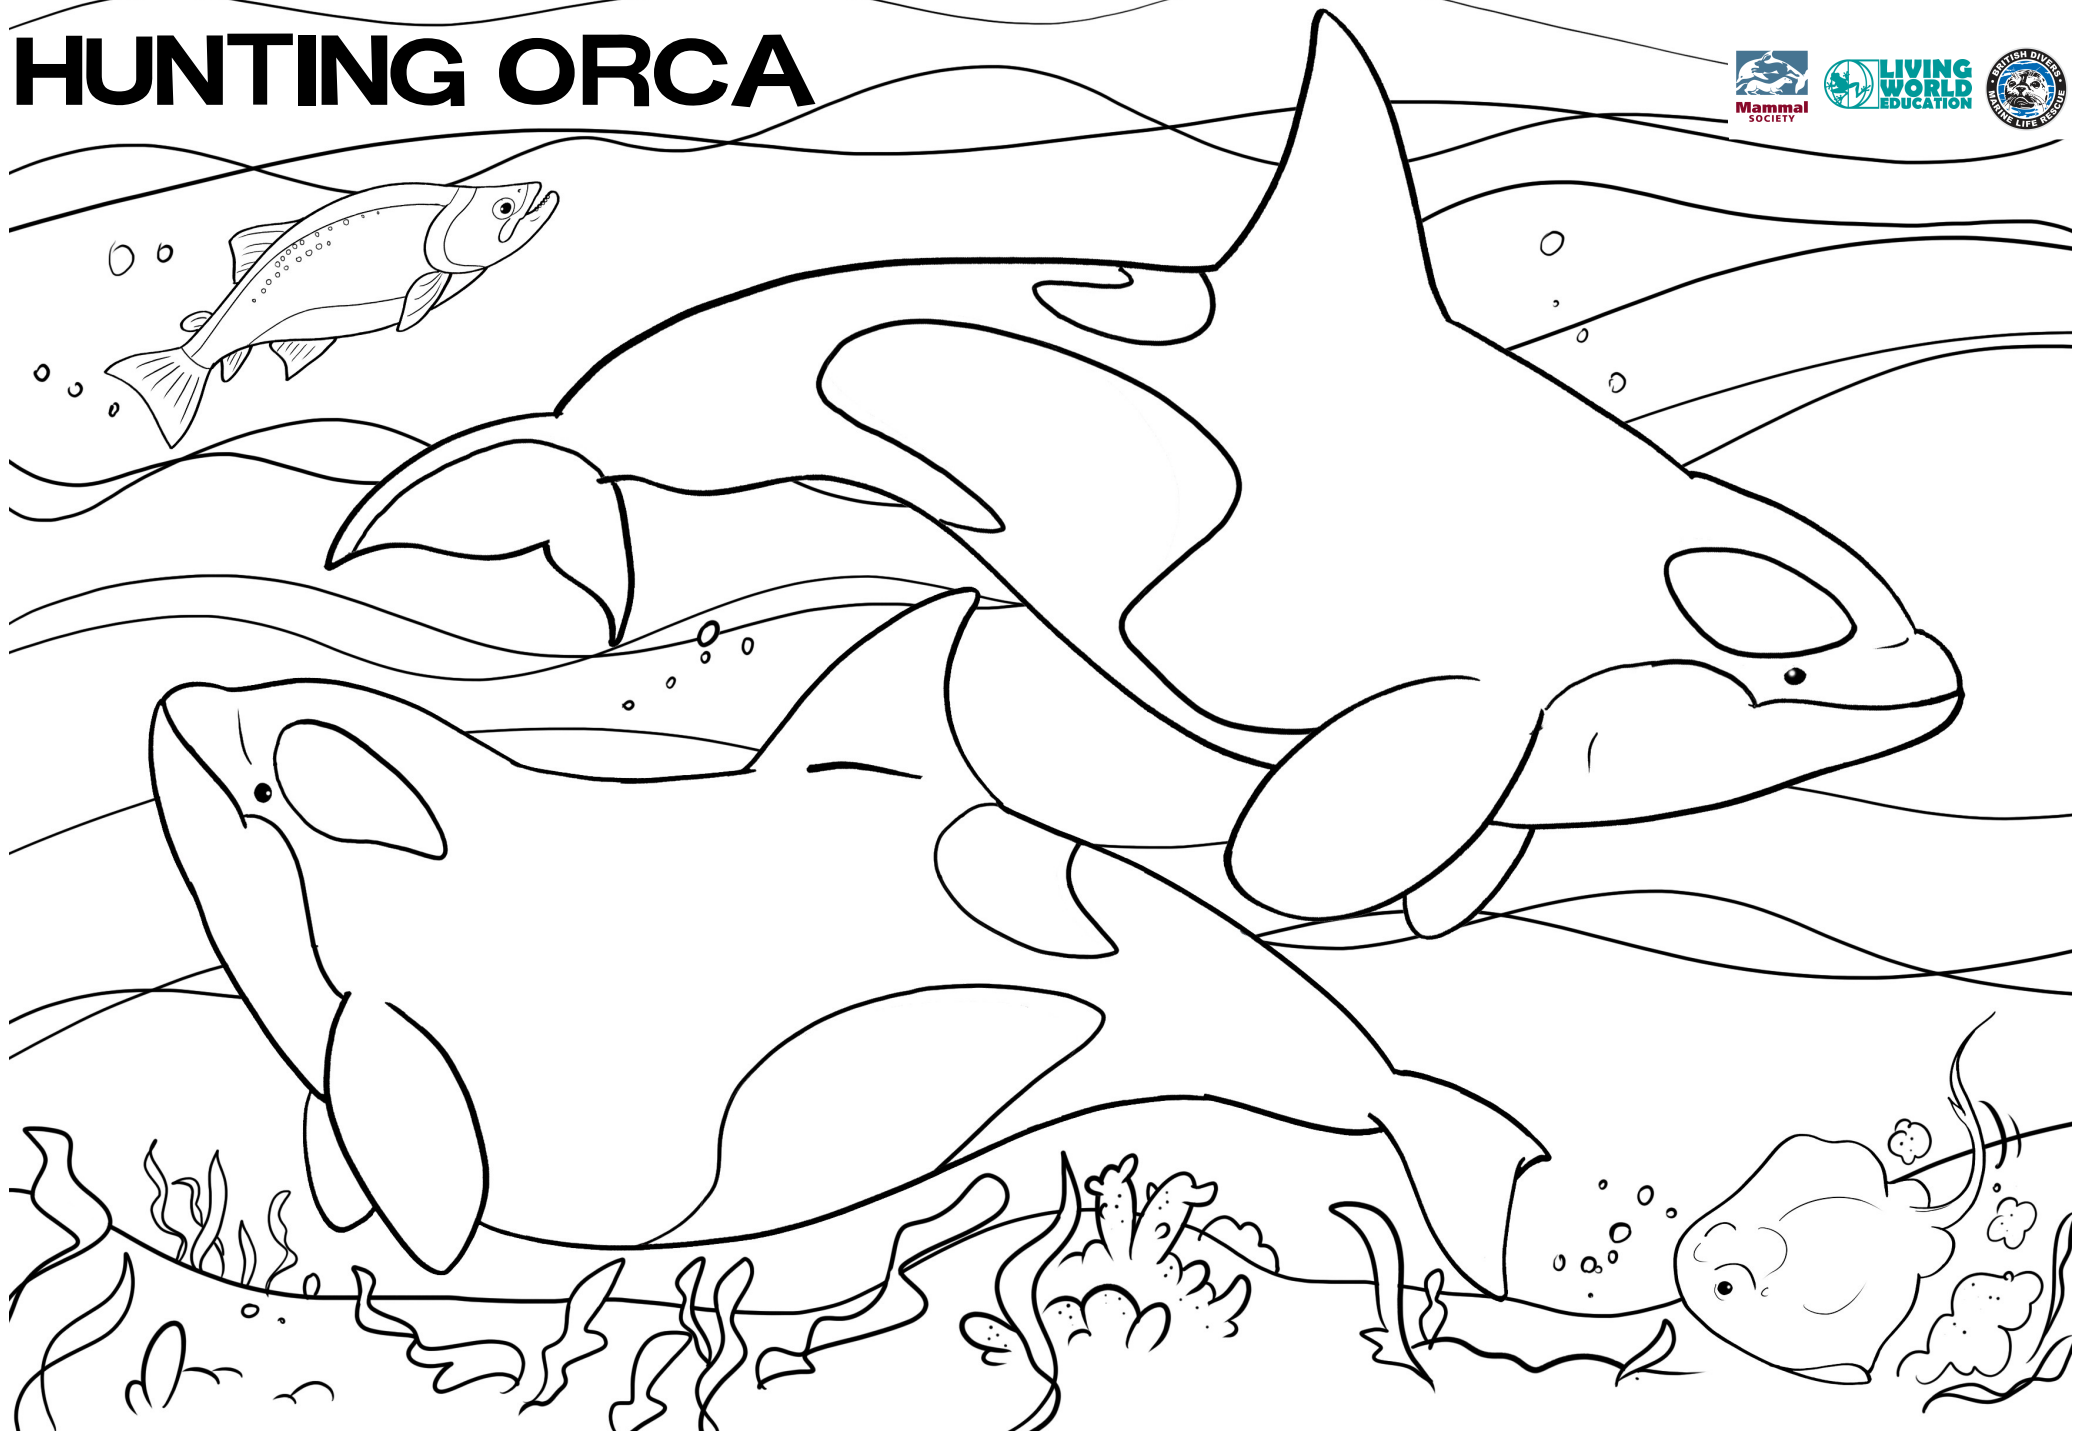

You could even raise funds!

Top Marine Mammals

For 2 or more players

Shuffle and share all of the cards face down... no peeking!

1. The player to the dealer's left starts.
2. Look at their top card and choose one category (e.g., speed). Read out the value for that category.
3. All other players read the same category from their top card.
4. The player with the highest value wins the round, takes all cards played and places them at the bottom of their stack.
5. The winner starts the next round.
6. If there is a tie, the cards stay in the middle and the same player chooses a new category and plays again.

The game continues until one player has all the cards.

Print all 4 sheets on card
