

Week Four: How can you help a hedgehog?

- Use our simple **step-by-step** guide to make your own **hedgehog desk friend**
- Use the **“Help a Hedgehog” sheet** to learn what they need and how you can offer a better environment for them
- Share online with **#WildlifeClub**

Take a small ball of **air-dry clay** and **cocktail sticks**.

Mould the clay to a **tear drop** shape.

Add some **ears!**

Break off the ends of **cocktail sticks** and push them in to **cover the body**. Allow the clay to **dry** for a couple of days.

Paint and add on a nose and eyes. You now have your own **hedgehog desk friend!**

Extend your learning!

The Mammal Society have more detailed information about hedgehogs and other UK mammals. Find a **hedgehog factsheet** and find out about their great conversation work www.mammal.org.uk

HELP A HEDGEHOG

Can you draw what the hedgehog needs to be healthy and happy?

- Juicy **snails** and **slugs** to eat.
- A **pond** get a drink of water.
- **Holes in fences** to sneak through.
- A **pile of leaves** to sleep in over winter.
