### ADDITIONAL NOTES

- The morning and evening options are in place to help accommodate families with busy summer schedules. This is not a means for a swimmer to practice twice a day.
- Swimmers are highly encouraged to attend morning practices over evening practices if family availability allows.
- Swimmers are encouraged to attend one practice a day, including the Tuesday morning practice prior to the meet in the evening.
- Swimmers must attend a minimum of 2 practices a week to be considered for relays. Fun Fridays do not count as one of those practices.
- Swimmers must attend 2 dual meets to be eligible for participation in Champs.

### JUNIOR ANACONDAS NOTES:

- Morning practices only; 6/8 through 7/24
- Junior Anacondas will register for the team as normal. Once they can achieve the swim assessment passing standard, they will be able to compete in swim meets.
- Junior Anacondas can be promoted to their own age group if they progress well.
