

Vaccination UK

# PROTECTION AGAINST

# INFECTIOUS DISEASES.

**Students in Year 9 are being offered vaccines to protect against Diphtheria, Tetanus, Polio and Meningitis (DTP/MenACWY) from now until July 2022.**

**From September, students in Year 8 will be offered the human papillomavirus vaccine (HPV).**

**These are serious infectious diseases which can be fatal.**

**WE ARE NEWHAM.**

When you receive a letter about these vaccines, you must complete the online e-consent form (one for each child) so your child can be vaccinated. If you need a paper consent form, please speak to your child's school.

If your child has missed their school clinic, email [newham@v-uk.co.uk](mailto:newham@v-uk.co.uk) or call 020 8214 1393/1935 for information on catch-up clinics located throughout the borough.
