

Welcome to May 2025 Newsletter

Dear Parents,

Now that it is finally sunny, the nursery will like all parent to send their children to the nursery in appropriate clothing and shoes, sun hat and sun cream.

There will be quite a lot of water play this term as the weather is getting warm, please provide complete change of cloths in your child's bag.

Late nursery lunch and snack charges.

Snack and Lunch Fees: Thank you to all parent that make payment on time. please be advice that your child nursery snacks, and lunch fees payment are due at the end of every month in advance also please make your child's name as the reference for the payment this makes it easier to link payment to a child. However, it has been on various account where payment is been paid so late with no reason or arrangement with the management. I would like to use the opportunity to let you know all late payment for June 2025 invoice that are late will incur a late fee charge.

Summer Day Trips

The children will be visiting the local community this summer term to get themselves familiar with the environment and places of important. We will be visiting the nature reserve, Olympic Park.

Sea Life Aquarium Centre

There is a plan to visit the Sea Life Aquarium centre in the London on 25th June 2025 but this trip will attract £15per chid this include transportation for the accompany staff. Please make your interest known and the payment is due by the end of May. Thank you

September 2025 reception school intake

This term we will be preparing our preschoolers ready for their transition into the reception class before the end of the summer term. Please can you let the nursery know your children's prospective schools so that we can support their transition and prepare their end of the years report.

What will we be learning:

This month we will be exploring the life cycle of mini beast in our environment. This are the minibeast the children will be investigating

- Slugs
- worms
- centipedes
- caterpillar
- Snails

The children will explore and investigate the changes process of the mini beasts' transformations. They will be guided by an adult into explore the similarities between the mini beast and other creatures.

**21st May World
Cultural Diversity Day**

At Mini Uni Nursery we will be celebrating different culture and backgrounds. The children and staff will be dressing up in our cultural clothes to explore our differences around the world.

Trips

Summer Term 2025 Early Years Funded Date

The nursery is open this term for funded children from 22/4/2024 to 23/07/2025. Parent, please note that 23/07/2025 will be the last day for the end of 2025 summer session. Please let us know if your child is returning to the nursery in September Autumn term.

Working in Partnership with others

We are very proud of our ethic and community support. In show casing this we are delighted to let you know that this term we are supporting local colleges and secondary school in providing their learners with work experience opportunity where they can grow to support the wider community and further deepen their knowledge of their career path.
