Jim Hoobler and/or Ryan Hoobler will come to your location to photograph and list your items.

Jim Hoobler grew up on a farm in north-central Kansas, where he developed the work ethic and agricultural knowledge that shaped his career. His first auction experience came through a 4-H box supper, sparking a passion for auctioneering that eventually led him to serve as President of the Colorado Auctioneers Association.

Before moving to Colorado in 1985, Jim worked as a Kansas county extension agent, strengthening his ties to agriculture and the communities he served. For more than 15 years, he has partnered with AuctionTime.com, building a reputation for honesty, consistent results, and exceptional customer loyalty, with over 80% of his sellers returning. Today, Jim's name is widely recognized across the region.

Since joining Hoobler Auctions full-time in 2022, Ryan has become an integral part of the company's continued growth and day-to-day operations. Working alongside his dad, he has taken on increasing responsibility in equipment evaluation, auction preparation, and customer service, earning a reputation for reliability, hands-on expertise, and a strong work ethic. Ryan's background in agri-business and his experience operating a wide range of machinery give him a practical understanding of the equipment he represents. In addition to his role with Hoobler Auctions, Ryan is also a dealer for Double L Manufacturing, providing customers with high-quality skid steer attachments.
