

## Shipping Company Information

Thank you for being a valued customer of Jim Hoobler Auctions and AuctionTime.

We have set up an account through **Total Quality Logistics (TQL)** to help with your shipping needs.

You (our customer) are welcome to use this account to get shipping quotes and book trucks for transporting your purchases. This saves you from having to fill out the new customer paperwork that they require.

You will need to know the location of the item and where you want it delivered.

Once you agree on a shipping rate and book the load, TQL will email you a link to pay the invoice.

When you call them, tell them that you are buying from Jim Hoobler Auctions.

TQL contact: Logan Bass 919-637-8110 or 513-831-2600 ext 41248.

We have 2 local (Kansas and Missouri) contacts for hauling oversize loads.

Cody Chase: 785-479-6672

Greg Dieckman: 816-419-4086

Thanks again for being one of our valued customers.
