AUGUST FEATURED ARTIST: TOM WRIGHT

Tom Wright is the featured artist at the Bakersfield Art Center for the month of August. Join him for a reception on first Friday, August 1st from 6 PM to 8 PM

Tom was first exposed to art when he happened to see a charcoal drawing done by a neighbor when he was only 10-12 years old.

The drawing depicted a scene from the old west, and it made a lasting impression on him. Tom did not have access to many art supplies in his youth, so paper and pencil became his medium of choice early on. His first subjects were athletes and comic book characters.

Once he entered Bakersfield High School, he was quickly influenced by other artists. His four-year study of art was heavily influenced by teacher

Norma Plunkett. Ms. Plunkett encouraged

Tom to try other mediums such as oil painting and watercolors. Most of his work back then was of his athlete friends. Most were given to those friends. Upon graduation in 1972, he was named "Most Artistic Student" in the class.

Tom spent his first year at Bakersfield College studying basic design and basic drawing. Financially he could only afford one year of college but that one year was invaluable in his development as an artist. He soon left

school to start work and left his art behind.

Tom retired from his day job as a salesman in 2020. During the pandemic he decided to do drawings for his grandchildren featuring their favorite animals. This project rekindled Tom's love of drawing & art & pushed him to get more exposure for his work.

Most of that work today features western themed subjects as he spent several years on the rodeo circuit as a bull rider and

team roper.

team roper.

Tom was raised around horses and livestock his entire life. Tom and his wife of 49 years, Faye, live on their own small ranch west of Bakersfield.

Wendy Johnson is the featured artists at the Dagny's BAA Art Gallery, 1600 20th Street thru August. See page 7.

BAA PRESIDENT'S MESSAGE

This is Marilyn J. Smith, your new president as of July 1st and looking forward to a great year, 2025-2026.

The First Friday reception on August 1st will feature the art of artist Tom Wright. More information and images are on the 1st page. And Wendy Johnson will exhibit for the month of August at Dagny's. Please join us.

The reception for Jeanette Schumacher was held on July 11th and was enjoyed by all. The Art Center was closed on July 4th.

The next General Meeting will be September 13th at 10 a.m.

The high school exhibition during the summer months July through September will feature Summer School art students. See page 7 for more information. The High School Wall during the month of August is sponsored in honor of Joyce Umfress.

We're always looking for new artists to show their art in the Art Center. As a member, you are encouraged to get your art "juried" so that you can either show your art in the Art Center or at one of our Satellite Shows (page 6). Jim Bates is taking reservations for 2026 to be on the Featured Wall, email jab888s@gmail.com and is also looking for ideas for possible group shows.

See page 5 for information on the **3rd ART 2 HEAL 4 HUE COLORING BOOK** show for **September, October & November.**

We also hope that you will be looking to volunteer for one of the committees supporting our organization. Check in the adjoining column for areas looking for your participation. **We are looking for those of you especially interested in Grants, Fundraising and Scholarships.**

ATRIBUTE TO JULIE FLEMING FROM HER ART STUDENTS

Without Julie, the world is a dimmer place. She shared her whole self with us. Always encouraging and gently criticizing. Her bright spirit and giving nature brought so much joy and fun to everyday things – like art class! She'll be forever remembered with love and gratitude that will always be a part of my paintings. **Sharon Brakebill**

Julie Fleming was an extraordinary teacher whose kindness and comprehensive knowledge gave her students a fabulous learning experience. She could look at a color in a photo and suss out which colors to use to create that precise shade. She would see the slightest hint of a color within another color to perfectly modify the main color. Julie was the most generous person with a wonderful sense of humor. She was always supportive and giving. I cannot imagine a better teacher. Julie was quite simply amazing. **Roline Witt**

Julie's class is where I went often to refine my work. She was always very helpful and always encouraging. She will be missed. **Toni Lott**

Julie gave me the eyes to appreciate the beauty of Art. She gave me the skills to paint. She shared her virtue of patience to draw every line with ease. She shared her knowledge of colors to mix brilliantly. And lastly, she offered friendship and made each and every student special and talented. We will surely miss our teacher but most especially, we will miss a great friend. **Paz Pelaez**

I was so sad to learn of Julie's passing. I will miss her so much. She was an incredible art teacher to me for many years. I will always cherish the paintings she helped me with. She helped me draw my grandchildren and paint them. So now when I look at them, I will always remember Julie. She was a wonderful teacher and friend. **Pam Smith**

Julie was incredibly generous with her knowledge unlimited by the medium we each chose. A master colorist, she taught us how to mix the perfect color and even more importantly how to see colors properly. Some favorite memories of mine were when she gave us a lesson (figure painting 101) and she was the sitter, the spontaneous critiques of art teaching us proper composition, and her cute and somewhat quirky laugh. Patient, encouraging, and supportive – she went above and beyond what a teacher should be. She delighted in our successes and guided us through our struggles. She became our friend and gifted us with many meaningful memories. **Chrissy Rogers**

Julie was a wonderful artist and art teacher. She had the unique ability to inspire her students to create and love even when we felt doubtful. Julie was not only a gifted teacher and was a friend to all. She was always kind and never had an unkind word to say to anyone. Julie is loved and will be missed by all who knew her. Julie will always be our inspiration. **Muriel Russo and Terri Alvarez**

Julie Fleming had many talents. One talent that stood out to me was her ability to give each student the tools needed to create. She did this with humor, sensitivity and gentle critique. We all loved her and will carry on with our art with the knowledge she shared with us. **Laura Mizrahi**
