PRESIDENT'S MESSAGE

(by Iva Cross Fendrick)

This is my very last President's message. It is an opportunity time for me to thank all of the Board Members and Committee Chairs who have helped the Association and the gallery to run smoothly and efficiently. There are at least 21 committee positions that must be filled each year, often one person is doing more than one of these jobs. If you feel the BAA is important for our community and you personally, please step forward and become an active participant. You will contact the new President with your offer of assistance.

Many of the jobs can be done from home.

We are all living in a very stressful and dangerous time in our history. When advised to "Stay Home, Stay Safe", we had no idea of what the future would be and we still have to anticipate adjustments to our daily lives and the schedule for operation of the gallery. Starting in March, we canceled the General Meeting and have not had one since. There was an emergency Board Meeting in May at the gallery to make decisions on the possibility of selling BAA's artist work online. Three of those Board Members attended by way of Zoom. We have had many artists respond to the opportunity of selling their art through the BAA Facebook, Instagram, and the Website. Thanks go to Kay Hall, Mimi Placencia, and Mike Lucero, Greg Ketchum (webmaster) for their hard work on making this happen.

At the time of my writing this message (June 10th) the plan is to open June 15th. It was decided to move slowly, not make a big announcement in case at the last minute we would not open. With only 21 artists willing to work, several working twice over a two week time, it will be a challenge for future full months to fill the schedule. A decision might need to be made to only open a few days a week. Many galleries are doing this. An art gallery in Fresno is only open one day a week.

This is farewell as BAA President, but I hope to be seeing you at the gallery, receptions, at workshops, First Fridays, and other events. Take care, be safe, and use good judgment.

BAA MISSION STATEMENT

It is important for us to revisit the Objectives and Purposes for which the BAA was formed (the Mission Statement).

- To provide an opportunity for study and improvement in art technique;
- To encourage an interest in and an appreciation of art in the community;
- To provide opportunities for exhibition and for sales of member's work.
- To recognize the works of other artists; and
- To offer scholarships to the community for art education.

DAGNY'S FEATURED ARTIST

Join Robert Ross at Dagny's Coffee Company downtown throughout July with his recent paintings. Robert Ross is a local artist with paintings displayed at the Bakersfield Art Association Art Center and throughout Kern County. Mr. Ross studied with renowned artists Clayton Rippey, Dalene Osterkamp, Al Naso and Harry Wilson at Bakersfield College. After study as a fine arts major at San Jose' State University as a graphic designer Ross became an art teacher at Kern County Superintendent of Schools for fifteen years.

He is presently teaching painting to young

people at Home Educators Resource Center (HERC), a remote learning, online art class during Covid 19.

Mr. Ross' style is inspired by impressionist

painter Claude Monet, post-impressionist painter Vincent Van Gogh and realist painter Andrew Wyeth. Ross works with watercolor, oil and acrylic and has been a strong colorist using vibrant tones and washes. His soft, imaginative scenes allow the viewer to interpret his paintings. Check out June's ad with Norma Eaton's daylilies paper collage on p. 31. Upcoming artists: July: Vicki Meadows, August: Alora Neksirgi, Sept: Toni Lott. I'll contact artists about the details when it's their turn. We're running these ads for one year to see if they increase foot traffic and increase sales. Please let me know if you have any responses to our ads. Thanks, looking forward to seeing you again when we reopen our doors.

2021 BAA Calendar Contest

(by Kathy Schilling)

It is with sadness that the Board and the Calendar committee have decided that we will have to cancel the BAA 2021 Calendar at this time while we all are dealing with the Coronavirus and the shutdown of the economy. The advertising is what actually paid for the production of the calendar. We can see it would be difficult to find advertisers who would be willing to support us financially at this difficult time. Bear in mind that last year sales were very low even with a normal year and the full support for this fundraiser.
