Subj: Letter of Recommendation for Mr Chris Guadagno

Personnel Administrator:

I am writing this letter to recommend Mr. Chris Guadagno for a position with your Department. I have first hand knowledge as to his trustworthiness, and commitment toward a law enforcement career. In 1987 to 1991, Mr. Chris Guadagno aided the Buffalo Police Department on a unofficial and strictly volunteer basis. Mr. Guadagno observed and aided Burglary Task Force officers when officers conducted undercover operations.

He specifically observed stolen property investigations from the start when officers were identifying suspects, dealing with paid informants, set up, and observed from a surveillance vehicle undercover purchases, assisted in the "back up" vehicle where undercover operations were tape recorded, and took part in the criminal procedure after the arrest in which he attended court proceedings. Further, this 3 year sting operation netted 87 suspects on over 300 felonies. Ironically, many law enforcement officers would have to work years to amass the experience and knowledge he learned during this time period.

I strongly recommend Mr Guadagno, as he brings credit not only to himself, but to the organization he serves as well. Should have further questions on Mr. Chris Guadagno's character, or experience please contact me.

Sincerely;

Detective Anna Mydlarz
