# Aluma-Box Outdoor Cabinetry

Aluma-Box was created through the process of using one of the Earth's greatest natural resources, aluminum. Aluniq's aluminum cabinets are durable, fire resistant, waterproof, anticorrosive, and antimicrobial.

Aluminum has a far better strength to weight ratio than steel or synthetic materials, allowing it to be the best choice for exterior cabinets.

## Color Options

Concrete

Coast Evoke  
Oak

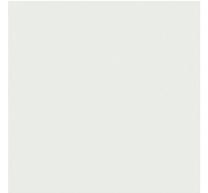

Brooklyn  
Grey

Venato Nature

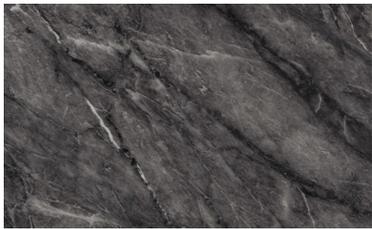

Tricorn Black

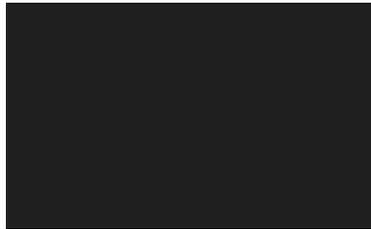

Pure White
