Dear Mike

SUBJECT: Memorandum of Understanding

It is with great pleasure that I return the updated executed memorandum of understanding between the Maryland Agriculture Teachers Association, Inc. and MAEF. Continuing the collaborative relationship that began with the establishment of MAEF in 1989 is important for furthering the growth of agriculture in education in Maryland.

Please extend our thanks and appreciation to the MATA leaders for their participation in updating and executing the MOU. We especially appreciate your commitment, leadership and support through this process. We look forward to many more years of collaboration and growth in Maryland.

Best wishes for a prosperous and rewarding growing season.

Sincerely,

George Mayo
Executive Director
