INFO!

WHERE DOES OUR NAME COME FROM?

A question asked by many! So here it is...

This building has been known as Whelk Coppers since the 1930's. The name refers back to when the site was used to boil Whelks in Coppers, before being sent off to London and provincial markets.

One of the Coppers can be seen at the back of the building, in the garden...now home to flowers & a bird-feeder.

WHELK COPPERS IN ITS MANY FORMS

Whelk Coppers in it's time has played many parts. First, the holiday home converted from 3 fisherman's cottages in the 1930's. Then, an officers' Billet during the Second World War. Next, a Nunnery followed by a small, private school. After a spell as self-catering apartments, Whelk Coppers lay empty & decaying for around 8 years. Finally, it became the cafe it is today in 1992, and is still run by the same family, who hope to be here for a good few years to come!

UNIQUE FEATURES

THE WROUGHT IRON GATES you walk through- *designed by Walt Disney, (a friend of the original owner) they were deemed so special, that they were spared from being scrapped for much needed metal for the war effort. A photo of these appeared in an American maritime magazine and were referred to as, 'The Sheringham Sea Gates'.*

WOOD PANELLING- All of the wood you see inside is Indian Teak & was salvaged from a British Navy Frigate in Calcutta in 1820.

DOING OUR BIT!

We are always looking for ways to help make a positive impact.

We took part in helping make Sheringham a plastic-free community, by limiting single-use plastic in the cafe- We do not sell plastic bottles, our condiments are served in ramekins & all of our take-away packaging is either recyclable or compostable.

You can do your own mini beach clean and earn yourself a free hot drink!- Take a bucket (found by the entrance), collect some rubbish, bring it back for us to dispose of and grab a drink on us as a big THANK YOU!

We have 'twinned' our toilets with the charity 'Toilet Twinning', helping to end toilet poverty. One toilet is twinned with a toilet in Tanzania- the other, Nepal.

Our dog station with biscuits & water has raised £1000s for the local RSPCA shop.

We support various charities and local schemes. We are always up for helping with fundraising, whether it be advertising, donating or having a collection pot. Please get in touch if you would like our support!
