**Code of Conduct for Competition Teams**

**FOR THE DANCER**

- Rehearsal practices are Mandatory. I will attend rehearsals consistently.
- I will maintain a 2.75 GPA during the academic school year.
- I will be respectful to my coaches and other teammates at all times.
- No inappropriate or negative Instagram, Facebook, etc. postings will be tolerated.
- I understand that I represent Capistrano Dance outside of the studio and will act in the same appropriate manner outside of the studio as well as inside the studio.
- A Ballet class is required of all team members regardless of your competing genre. (A Jazz Tech class may be substituted in extenuating circumstances upon approval).

**FOR THE PARENT**

- I will make sure that my dancer comes to weekly mandatory rehearsals on time. I will not allow my dancer to miss practice because of birthday parties or trips to Disneyland, etc. Absences are reserved for illnesses only with a fever or an extreme circumstance. **If my dancer misses a rehearsal I will be required to schedule a 30 minute make-up with the corresponding coach and pay for any additional coaches fees required for each make-up.** **\*\*Absences need to be communicated to the coach as well as to Miss Elizabeth via email or phone.**
- I realize that my dancer will be required to participate in a minimum of 4 competitions in the months of January, February, March and April. Specific competitions with dates (TBA) will be available in August. In addition there will be two (2) conventions that my dancer will be required to attend. All dancers are required to attend regardless if they are competing or not. Typically, one convention in January and one in April.
- I understand that I will need to purchase team CDC practice wear.
- Summer intensives are required for each team member and I will register my dancer for their appropriate sessions.
- Participation in Nationals is mandatory and occurs one (1) week during the summer. (Usually mid-July). I will plan by summer activities to accommodate Nationals both time wise and financially. **I understand these charges are in addition to my regular fees.**
- Payment plans will be calculated and payments will begin Aug 1st, 2019. All Competition balances need to be PAID in FULL by April 1<sup>st</sup>, 2019 in order for Capistrano Dance to have the available funds to pay all associated fees to our vendors.
