Welcome

Welcome to After School Plus! Thank you for selecting our program to meet your family's after-school needs. We look forward to an exciting year and are delighted to have your family join our program! Our goal is to help families have more time to spend at home together. We provide the PLUS of assisting with homework and providing enrichment programs for your child. We hope you'll find our teachers amazing and appreciate all the pluses under one roof.

Our Program

At After School Plus, our goal is to create more quality time for families by providing educational support and extracurricular activities all under one roof. We do this by providing homework help in a classroom setting with a low student teacher ratio. After homework is finished, extra activities are available on site- leaving busy parent's time to enjoy family time in the evenings! If your child's teacher shares information about their current curriculum with you, feel free to forward the email to Ms. Natalie at nataliew@afterschoolplus.org or office@afterschoolplus.org so we can better support your child.

Homework Policy

Students should utilize the entire time in the classroom working on homework, studying, and reading.

Students who do not complete their homework should remain in the classroom until homework is complete or their parent arrives for pick-up.

If a student says he/she does not have homework, teachers will:

- Have the student check on the website (if not already done).
- Review student agenda or newsletter.
- Study for upcoming tests and quizzes.

In order to meet the academic needs of your child, families are asked to provide a copy of your child's IEP or 504 Plan. The 'accommodations' section has helpful information to provide your child with consistency and our staff with valued tools and resources. Where possible, ASP will replicate those accommodations in our classroom.

Bus Rules and Regulations

While children are on a bus, they are under the direct supervision of the driver and must always obey the driver. The bus driver has the authority to assign seats to students for safety or disciplinary reasons. Repeated failure to follow the driver's rules will result in a parent conference.

For the child's own protection, hands, head, and arms must be kept inside the bus at all times. Feet and bags must be kept clear of the aisle.

The behavior expectations of ASP apply to each student riding the bus. Conversations containing offensive language are not allowed and children should avoid any unnecessary, loud, or boisterous talking. Fighting and/ or horse play is not permitted and will not be tolerated.

Children are expected to help keep the bus clean, sanitary, and orderly. Paper or other debris should not be left on the floor of the bus or thrown at other students. No materials should be thrown out of the bus windows or doors. Damages to seats or other bus equipment by a child will require compensation from the parent/guardian.

Health & Safety

Our facility is equipped with a first aid kit. Staff members are CPR/First Aid Certified. Parents will be notified if there is evidence of serious injury or illness. In case of emergency, illness, or injury to a child, the parent or guardian will be notified immediately. If the parents/guardian cannot be reached, the emergency contacts will be called. In the event of an emergency warranting medical attention or considered life threatening, the Director will call 911 or take other necessary emergency procedures.
