

HOLE SPONSORSHIP

Glenrochie Country Club
200 Clubhouse Drive | Abingdon, VA
Friday, Oct. 2

This fall Kiwanis will host a golf tournament at the Glenrochie Country Club to raise money in support of our local children and youth programs – programs such as the Washington County Library’s Summer Reading Program. Since 2006, Kiwanis has funded the library’s literacy project which has helped thousands of children improve their reading proficiency during their summer vacations.

Kiwanis made nearly \$63,332 in donations to over 12 local programs in 2023–2025. Besides the Washington County Library, recipients included Abingdon Little League (30 baseball and softball teams); Holston High School (physical fitness equipment); the William King Art Museum (summer art camp); the Barter Theatre (introductory children programs); the Justin Foundation (student scholarships); and Communities in Schools (student clothing needs).

Your generous donation of \$225 for a hole sponsorship at the Glenrochie Country Club will generate much needed funds this year to support these organizations. Can we count on your help?

On receipt of your application along with a check made out to Kiwanis of Abingdon, we will contract with a local printer to produce an 18” by 24” sign with your company’s name in one of four colors you select. The sign will be prominently posted on the Glenrochie course at one of the hole sites.

Company: _____
