

SUPPORT WORKER

# AZARIA

SOUTH WEST

Hi, I'm Azaria and I'm part of the South West team.

I'm a very active and outdoorsy person. I play hockey and love spending time camping, going to the beach, and enjoying the outdoors. I also enjoy travelling and exploring new places. When I'm at home, you'll often find me doing arts and crafts, painting or drawing, or out in the shed tinkering with cars. I also have two dogs and some budgies who keep me busy.

I wanted to become a support worker because I genuinely enjoy helping others and making a positive difference in people's lives. I love supporting clients to get out in the community, try new things, and enjoy the activities that matter most to them.
