

SUPPORT WORKER

CASS

NORTHERN SUBRUBS

Hi, I'm Cass, a proud mum of three and I love spending time with my family, whether it's camping, hiking, fishing, or just being outdoors exploring together. I also have a real love for cooking and enjoy creating meals that bring people together. I'm a big music lover and really value meeting new people and building strong relationships. I'd happily take a client fishing or down to the beach, because I think support should also be about enjoying life and having fun along the way.

My passion in this sector comes from seeing the rewards of helping someone build their confidence, celebrating the little wins, and focusing on quality support that makes a real difference.
