

SUPPORT WORKER

DARRYL

NORTHERN & CENTRAL SUBURBS

Hi, I'm Darryl! I'm passionate about a lot of things – from playing Pickleball and working on jigsaws, to enjoying quiz nights and shows. You'll often catch me watching soccer (especially the English Premier League) or AFL Eagles and Dockers games. When I'm not drawing, playing FIFA on PlayStation, or tackling crosswords, I love going for drives, collecting sports cards, and spending time in the kitchen baking and cooking. I'm a proud cat owner and I'm a huge dog lover too! I'm also self-motivated, hands-on, and bring extensive experience to everything I do. I'm committed to making a positive impact, and I'm always ready to lend my practical skills and support.
