

SUPPORT WORKER

JANE

NORTHERN SUBURBS

I began my journey in the support sector in August 2025 and have gained valuable experience working in SIL homes and supporting clients with mental health conditions and Autism to live independent lives.

Outside of work, I enjoy going to the gym, dining out, baking, and cooking. I also love doing art activities.

I am open to working with all types of clients and am eager to keep learning- especially when it comes to helping people build confidence, independence, and practical life skills.
