

SUPPORT WORKER

JAYDA

SOUTH WEST

Hi, I'm Jayda. I'm a caring, patient, and empathetic person with a strong passion for supporting others to live their best life.

I love helping people gain independence and confidence in the things they find challenging, and I believe in bringing positivity and joy to each day.

I'm very family-oriented and truly value building strong, respectful relationships with my clients and their families.

For me, it's all about making a genuine difference in people's lives and being a part of their journey in the community.

Outside of work, you'll find me spending quality time with my family, enjoying beach walks, camping, fishing, baking, doing crafts, and listening to music. Life's about enjoying the little moments-and I try to bring that mindset into everything I do.
