## PEEL REGION

Hi, I'm Kaz.

I'm a laid-back and patient person who really enjoys supporting people to live the life they want. I love working with all clients and building genuine, respectful connections.

Outside of work, I enjoy hiking and camping, spending time with friends and family, and getting creative. I'm involved in a musical theatre club where I help with props and stage work, and I also love music, festivals, cooking, and gardening.

I'm passionate about creating a positive, relaxed environment and supporting people to enjoy the things that matter most to them
