CENTRAL SUBURBS

Hello! I'm Pari from Nepal. I love dancing, traveling, and exploring new cultures. Australia is my top destination, but I also look forward to visiting Japan, Korea, Switzerland, and more.

I'm passionate about Korean dramas and cooking traditional Nepalese dishes.

Professionally, I have experience in aged care, dementia support, and assisting clients with complex needs, including tracheostomy care and challenging behaviors.

My goal is to provide compassionate care and support, helping clients live with dignity and respect. I'm excited to continue making a positive impact as a support worker.
