

SUPPORT WORKER

RINZIN

CENTRAL & NORTHERN SUBURBS

As a compassionate support worker, I strive to create a positive and welcoming environment for those I assist. Outside of work, I enjoy traveling, watching crime movies, and discussing business ideas. Sports like football, volleyball, and basketball keep me active, while indoor hobbies like chess, snooker, and puzzles keep me engaged. I also enjoy fishing, car repairs, and relaxing in the sauna. With a curious mind and a passion for learning, I bring patience, care, and understanding to every person I support.
