

SUPPORT WORKER

SAHARA

OOOO

NORTHERN SUBURBS

Hi, I'm Sahara! I'm a support worker who takes pride in helping others and making a difference in their lives.

Outside of work, I have a few passions that keep me inspired. I love experimenting with makeup, exploring different cuisines, and immersing myself in music, as they all bring me joy and creativity.

I'm also a big fan of going on adventures and experiencing new things..

One of my goals is to travel more with my family.

I believe my caring, warm nature, along with my creativity and enthusiasm for life, allow me to connect with those I support and provide the best care possible.
