

**From the President**

Hello Friends,

Spring is here, but the need in our community has not changed. We typically expect a drop in donations, both food and financial after the Christmas season and this year is no exception. We appreciate your prayers and support. If you are led to help your neighbors who are struggling, please do not forget the CCEA when you make that trip to the grocery store or when you set down to pay your monthly bills. We are also looking for volunteers especially the need to fill the office of Vice President. If you are interested or know someone who would be a good candidate, please speak to your pastor, CCEA church representative or you can call me directly at 304-820-8350.

Peace and Blessings,  
Mike
