

The CCEA have been blessed recently to receive food from three food drives organized by groups in our community.

The drives by the Cub Scouts, Boy Scout Troop 336 and the Bohemia River Boaters Association raised a combined total of over 2500 pounds of non-perishable food. We know that the food raised by all three drives came from the generous donations of members of the Chesapeake City Community.

The CCEA would like to extend a Thank You to each of you who donated. We appreciate your generosity so much and hope you will keep our pantry in mind, not only during the Holiday Season, but throughout the year as well!

Happy New Year!!
