

A Big Thank You to the Back Creek Dental for their donation of dental supplies to the CCEA.

We appreciate your help!

Back Creek Dental specializes in beautifying smiles and maintaining your dental health. Our practice opened in Cecilton, Maryland in 2001. Dr. van Venrooy treated thousands of patients over the years in the Cecil Kent Community Health Center until 2016 when he renovated the vacant PNC Bank into a brand new, modern dental office.
