OLD SCHOOL LEADERSHIP

We are pleased to offer this special presentation from Chief Robert Hoff.

Chief Robert Hoff draws from his unique personal and professional experiences to share relevant lessons learned from his 47-year fire service career.

Chief Hoff started his fire service career in 1972, beginning as a suburban cadet and retiring as Commissioner of the Chicago Fire Department in 2012. He also served as Deputy Chief and Chief of the Carol Stream Fire Department, retiring in 2020.

Chief Hoff has been a member of the IFSI Team since 1990, teaching in numerous training programs and during special events.

We encourage all Fire College attendees to take advantage of this unique personal and professional development opportunity.

Chief Hoff's direct and approachable style challenges participants to

LEARN IT! LIVE IT! PASS IT ON!
