I have been a homeowner in EagleVail since 1996 and raised both of my daughters in the community. For the past 20 years I was the chief engineer for Always Mountain Time, the radio group with stations in Eagle, Pitkin, Summit, Routt and Grand Counties. Just recently I purchased an established metal and fabrication business in the business district of EagleVail. Over the years I have seen and experienced the progression of the neighborhood. I would bring a good amount of knowledge and history being a resident for the last 24 years. I am committed to keeping our neighborhood a great Community for the local residents, second homeowners and visitors. I would be honored to serve and appreciate your vote.
