Legal Summary Subdivision: EAGLE-VAIL FIL 1 Block: 1 Lot: 70B E-mail

Address: Nicki@NickiMills.com

Reason to Volunteer for EVPOA Board:

I want to continue to be involved in our community and serve for a second term as your EagleVail Property Owners Association Board Member. I moved to Eagle County in 2009 and started renting a home in EagleVail in 2011. My two sons and I fell in love with Eagle Vail and I purchased our home in 2012. The relationships I have made in this neighborhood and the many amenities our community has to offer make me and my boys feel truly blessed to live here. I have witnessed much positive change over the past years here in the community and I am very proud to call EagleVail home. EagleVail is a wonderful place to live and I understand that in order for the local boards to function we need dedicated volunteers to serve on the boards. I care about supporting the quality of life in our area, investing in the community's future, standing for the values of the neighborhood and keeping the POA dues low. I am in favor of supporting a study to determine if it is possible to get a chair lift in Eagle Vail. We need to keep our community safe and moving forward. I would be honored to be the voice of my friends and neighbors in Eagle Vail.

Biography/Education Background:

I grew up in the outdoors of Emily, Minnesota, where I learned how to golf, ski, hunt and fish. As the oldest of six children, I graduated Summa Cum Laude from Minnesota State University with a degree in geography. I became a private pilot at 16 and worked as a wildlife researcher during college and graduate school. I have developed real-estate and co-founded a public Montessori School. My family's tradition of community service inspires me to give back to my community. I own Vail Skin And Lashes, a Beauty and Medical Spa in Avon. My favorite local activities include golfing, skiing, attending concerts and events with my friends and biking.

Experience:

Two years ago I was elected to the board and served as the Secretary for the first year and currently am the Vice President. I am humbly asking for your vote to continue on for a second two-year term. I have experienced much growth as a leader and greater understanding of our community and the workings of the EagleVail Property Owners Association while serving on the board during this time. This past year we have had to find new ways of doing things that actually turned out to be very unique and were an enhancement to our community. We re-engineered our monthly meetings via Zoom. We had great participation in the Annual Community Cleanup and Community Yard Sale. Unfortunately, we were unable to host new events or the beloved Santa and S'Mores this year because of COVID. I sure enjoyed chairing these community get-togethers and I am grateful for everyone's participation and especially the rest of the board members for showing up and helping out. These were the fun parts of my job as a board member.

The board has elections every year, thus being a fluid and changing dynamic. I struggled with the lack of transparency initially but feel more informed now than when I began, and I feel transparency and increased education is a priority for myself and the community. Because I feel it is my duty as a board member to be a representative voice of our community, I chaired the committee to put out a survey. Thank you to the over 500 members who took the time to fill it out. I have used the survey results several times to reiterate points and needs and desires of our community members during board meetings, phone calls, emails etc.
