SPONSORSHIP PARTNERSHIP

The Suncoast United Pipes and Drums Inc is a non-profit, all-volunteer, musical group dedicated to becoming a successful premier-level performance and competition band. Members dedicate enormous amounts of their personal time and income to keeping the band moving forward. Operational expenses run well over \$10,000 per year. Most of these expenses are absorbed by the individual members or are earned by performances in the greater Tampa Bay area. No one in the band receives payment. Your sponsorship will go 100% towards new equipment, uniforms, or travel expenses to perform or compete.

Sponsors of the band are recognized on the band's website, in concert programs and in media releases. Company logos for major sponsors can be displayed on the band's bass drums, wrapped on drums for 1 year, bag pipe covers, and uniforms. In addition, the band enjoys reciprocating in performance at corporate or charitable events for sponsors.

By becoming a Sponsor of the band, your organization will substantially increase our ability to focus on what we do best; make great music and promote the Scottish music arts! This is a great opportunity to get your name out in the community.

Priority Reservations

Sponsorship will provide your organization priority band reservation status for your events. William Wallace Hero, Celtic Gold and Equipment/Travel sponsorships will provide priority status during Holidays like St. Patrick's Day, New Years, Bobby Burns Day, 911, St Andrewes Day, Memorial Day, and others.

Sponsorship Level Information:

There are several levels of band sponsorship, each with their level of benefit to the Sponsor. The benefits may include band performances, logo placement on a 14' enclosed equipment trailer, bass drum, wrapped on the drum's banners, and web site. Our Sponsors will also be mentioned during our performances and on our website.

Sponsorship levels start at \$1,500. Donations are annual and tax-deductible to the extent allowed by the law. The Suncoast United Pipes and Drums Inc is a 501(c)(3) non-profit organization.

If you'd like to sponsor us or want more information, please contact us.
