A LITTLE HUMOUR - NASA's Ballpoint Pen

During the heat of the space race in the 1960's, NASA decided it needed a ball point pen to write in the zero gravity confines of its space capsules.

After considerable research and development, the Astronaut Pen was developed at a cost of \$1 million U.S.

The pen worked and also enjoyed some modest success as a novelty item back here on earth.

The Soviet Union, faced with the same problem, used a pencil.

NEWS FROM AROUND THE PROVINCE

POWELL RIVER HORSESHOE CLUB

The Powell River Horseshoe Pitching Club held their spring general meeting on March 24, 2010 at the Complex. Was a general gathering and those who attended will be left with getting information out to other pitchers. Our Open house will take place on April 18th, and reports have been submitted to the local newspapers in the "Notice board" and "Around Town" pages.

Our league plays started on May 6, 2010 hopefully we will have a nice turnout to have competitive teams, of 5 pitchers each team, with spares to help keep score and rotate. It looks like pitchers are eager to get started, as the weather is warming up some.

Executive slates for 2010 are	President	Jim Hoffman
	Vice President	Lionel Hanson
	Secretary	Sandra Hanson
	Treasurer	Lorraine Hubick
	League organizer	Carol Skrodolis
	Tournament Director	Betty Blacklock

Club condolences go out to Les Ortloff and family for the loss of his wife Darlene on March 26th. Darlene was a strong pitching member of the Powell River Club, and her dedication to so many departments will be deeply missed.

To all clubs, have fun pitching and look forward to seeing everyone in the near future on the courts.

Cheers, Lorraine

ABBOTSFORD HORSESHOE CLUB

This season has been a trying one for our club. We were forced to move from our Queen St. location at which we were located for twenty years because the city is planning to put a road thru. Our location at Mill Lake, 2308 Adanac St. has been a trying experience what with regulations to overcome, etc. Although we had to cancel our first tournament in April, we did manage to run our May tournament. Thanks to all that were able to attend, it was a successful event.

We have been very busy trying to get the club house up and did manage to get it in rustic fashion for the BC International/Highwayman. Thanks to the city for allowing us to have RV parking across the street. Although attendance was lower than previous years, everyone seemed to have a good time. The weatherman co-operated maybe a bit too good as the sun did stay with us. We now have to partially take out some of the gyp rock that was temporarily put on so that we can do insulation and poly and get it inspected. Then it is back up with the gyp rock and finishing, hopefully in time for our September tournament which is the Lower Mainland Championships on September 12.

Thanks to the very dedicated efforts of some of our members, we will be ready. Hopefully this location will interest more members to join. We have so far managed to pick up five new members.

Hope to see you all at the next tournament. Let's keep horseshoes on the map. Archie Radowits.

CENTRAL PARK HORSESHOE CLUB

Central Park had two tournaments that went great. We had players from the Island who we picked up and drove back to the ferry. They were very happy to go back with winnings.

The fun night is getting better and better. One of our members made a sandwich board that he attached with a chain to a lamp post on Boundary Road inviting people to come and try horseshoes. A lot of people have come saying they saw the sign. Will they be new members? Sure hope so! Elyse Brunelle

REPORT FROM THE SECRETARY OF THE BCHA

My 2 year term as secretary is up this year at the AGM in Prince George and I will not be seeking another term. I would like to thank all the Executive of the BCHA for putting up with my sometimes silly ways of doing raffles and my outspokenness. Also I would like to thank all the members who helped my job run so smoothly. If you would like to run as secretary Please notify Fred Ormiston **before** the AGM in September.

This year the BC Internationals were hosted again by the Abbotsford (MSA) club at their new location at Mill Lake (Just off Ware St.), Although it was not well attended, (59 pitchers) it went very well. The BC International Grand Prize of Sewell's Marine Adventure was won by Lucy Lunner.

The BCHA's 50/50 winner was Annabelle Sievert and the next day the Abbotsford club drew their 50/50 and Ernie Sievert won it. **Talk about keeping it in the family!!!** Well it couldn't happen to a nicer couple.

John Hamler from the Winfield Club won the \$100 Early bird draw for the BCHA raffle tickets and his name will be put back in the raffle bin and be eligible in the Draw on Sept. 05 in Prince George where they will draw a \$400, \$300 and \$200 winner. **Please support your organization and buy tickets for the BC Championships grand prize, which is a 2 night stay with dinner at the FAIRMONT HOT SPRINGS for 2 people.**

I would like to Congratulate Sam Tomasevic on being nominated into the Canadian Hall of Fame as Promoter.

Just some Stats I would like to leave you with for information only.

MEMBERS IN BC BY YEAR

2002	628
2003	620
2004	656
2005	632
2006	572
2007	516
2008	574
2009	512

We had 28 clubs in 2004 and in 2009 we had lost 6 to bring us to 22 clubs. As you can all see we are not only losing members but clubs. And it seems that the majority of clubs are losing more members each year than they are gaining with the exception of a couple of the clubs. This is why it is so important to encourage our juniors and to treat each other with respect. Remember why we all chose to pitch horseshoes and let's make it fun and enjoy each others company

POSITIONS FOR ELECTION AT THE 2010 BC HORSESHOE ASSOCIATION AGM

Secretary

Vice President. Fred Ormiston has informed me he will not be seeking re-election.

I have been notified by Cheryl Degraaf that she is willing to have her name stand for this position.

Regional Reps for Lower Mainland and Interior/Kootneys. Please see motion in this newsletter to be presented at the BCHA annual general meeting.

MOTIONS TO BE PRESENTED AT THE BCHA AGM

MOTION #1

Commencing with the AGM in 2010 the regional reps will be elected at the Annual General Meeting rather than at a meeting on the clubs within their regions.

REASON:

We are finding the some of the reps are not interested in the job to be done, do not pass information along to the members in their region. We feel that someone attending the annual general meeting will show the interest required for the position.

ELECTION OF REGIONAL REPS:

Vancouver Island (including Powell River) and Northern British Columbia on odd numbered years, the lower mainland and Interior/Kootneys on even numbered years. At this years' AGM reps for the Lower Mainland and Interior/Kootneys will be elected.

DUTIES OF THE REGIONAL REPS:

The four regional directors are to be assigned their duties by the President. They will act as liaisons between the Association and the clubs located in their region.

Motion made by Sam Tomasevic – seconded by Cheryl Degraaf.

MOTION #2

That the executive of the BCHA be paid for 3 nights accommodation (maximum \$80 per night) instead of the present 2 nights for executive meetings.

REASON

Often when attending an executive meeting or the BC Championships or BC International we work to set up the tournament, while we are not the richest people we feel that we should not have to pay an additional nights accommodation out of our pockets.

Example. This years BC Champs are being held in Prince George, for most of us to arrive on time on Friday and have everything prepared for the tournament and be ready to conduct the Annual General Meeting one would have to leave on a Thursday. That would entail having to find accommodation for Thursday, Friday and Saturday, or Friday, Saturday and Sunday if we leave on Friday morning.

We, your executive feel this is not asking for much from the membership.

Motion by approved at the Executive Meeting of July 9th to be presented at the AGM

ARTICLE BY JIM BALL

URNS AND FLIPS

When I started competing in horseshoes everyone threw a turn. I first played at work with three others and we all threw a turn and all threw over fifty percent using Diamond Double Ringers. I threw a three quarter turn and I think the others did the same. I later switched to a one and a quarter turn.

Later the flip shoe came into the picture. After a while more and more people started throwing a flip as most new players now do.

In my opinion the flip is a good throw at thirty feet because it lands softly but at forty feet a lot of ringers bounce off. It usually takes a lot of practice to throw an open shoe with a turn but once perfected it is far superior.

A new player can get ringers more quickly with a flip and that is why it has become so popular.

I encourage men throwing a flip to spend some time practicing a turn and that is usually a one and a quarter turn.

For quite a few years after I started competing and previously it was common to have eight or more men in the "A" class throwing over fifty percent.

Now we have very few men throwing fifty percent. Is that because so many are throwing a flip? I think it is. It is difficult to get up to fifty percent with a flip.

At the B.C. International this year there were five entries in the Men "A" class. The top percentage was just over thirty three percent. I would like to see more men throwing a turn. One of the juniors has just switched to a turn because he knows he will have a better percentage.

At Central Park we once had three juniors all throwing about sixty five percent. They all threw a one and a quarter turn.

No player has ever won the "A" class at the Canadian or Worlds Championships throwing a flip.

BCHA HALL OF FAME:

Fred Ormiston said that for this year the male player category had 3 nominations and that the nomination period was now over and the voting would be done shortly. The three nominated men are Matt Zablony, Syd Lash and Lloyd Reyklin.

CANADIAN:

Sam Tomasevic was inducted into the hall of fame as promoter.

PRESIDENT REPORT – Sam Tomasevic:

Here we are well into the 2010 season. The weather has been anything but ideal.

The economy seems to be hurting us more this year than in the past. I looked over the tournament participation this year compared to those of 2009. Most tournaments with the exception of the Island, seem to be down an average of 10 players per tournament, now is it the weather, the economy or both. People are finding it harder to travel these days, money is tight. I also looked at the 3 clubs in the lower mainland, 2 of them are pretty much on par compared to the previous

year. The club that seems to be hurting, which was a real surprise to me, is Cloverdale. They have held 2 tournaments and are down 8 players per event. Now this may have something to do with the fact the club holds Saturday tournaments while the other 2 clubs hold theirs on Sunday, or again it could be the economy.

Quesnel has held 2 tournaments and the numbers are down drastically.

I know one of the reasons for the decline in numbers is that we are getting older and not getting much in the way of new players who get involved with our sport. How to get them to join is another story and if I had the answers I sure would pass them along.

This years International is down 12-15 players compared to other years. Maybe because the Canadians are being held in Victoria and people can't afford both events is the reason.

Our website continues to be, as far as I am concerned one of the best out there. Results and lots of photos. I'm lacking photos from the North; if you live in the north email me those pictures.

I try to get the results and photos up shortly after I received them from the various clubs.

To all clubs, if you have a member who has moved to 30 feet or back to 40 feet please let me know when you send the results. If you don't tell me I won't know. It's hard to determine if someone is 30 footer or 40 footer in a mixed event.

I would like to spend a moment on our general conduct as executive members of the BCHA. Remember we are elected people and we are here to serve the membership. I have heard far too many complaints about attitudes this year. When you are asked a question answer it to your best possible way, if you are in doubt tell the individual that you will have to check with others and get back to them. Don't tell players your club has not paid membership dues and if they are not paid you will not be permitted to play in any more tournaments. As a card holding member you're entitled to play, it is up to the BCHA to go after clubs to pay the dues. To the regional reps please ensure you care to each tournament you attend with application forms for such tournaments as the International, Worlds, Canadian and BC Champs. Do not think that someone from one of those clubs will bring them out for the members. I got a call from one club that was rather annoyed at me for not mailing them entry forms where available, they did not know for sure.

Maybe before the tournament start, the regional reps could make a little announcement that they have entry forms available. We can all do a better job of communication, and that includes me, this is not geared at one individual.

The newsletter as we know is now done via email and is also available on the BCHA website. We have gotten out one so far this year; regretfully have not had any time to do another one. Hopefully soon. To the Clubs, start sending in your articles so that we have something to write about.
