Cheryl L. ...  
CIRCUIT CLERK

**AGREED ORDER**

People by Jason Humke;

Defendant by Jed Stone;

The Court being advised in the premises;

By agreement;

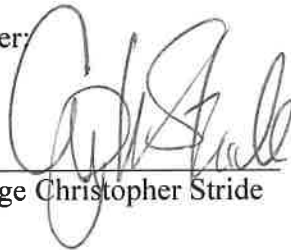

IT IS ORDERED that:

1. The People's supplemental motion for DNA testing is ALLOWED subject to the following conditions.
2. Independent Forensics shall package and seal in tamperevident packaging the DNA reference samples and any DNA extract(s) generated from the swab-mediated collection from a medical alert bracelet, as well as the reagent control blank associated with this collection.
3. After being sealed the above materials, DNA extract, reference samples and reagent control blank shall be shipped by signature required carrier while maintaining chain of custody documentation to Bode Technologies, address to be provided.
4. No member of law enforcement (including but not limited to members of the Lake County Major Crimes Task Force) shall have any contact with the DNA extract,

reference samples or reagent control blank. The listed items shall be shipped laboratory to laboratory without any intermediary.

5. Independent Forensics shall ship this DNA evidence along with the accompanying evidence submission forms for Bode Technologies that were completed by the Lake County State Attorney's Office.
6. Independent Forensics shall utilize a shipment method that preserves the integrity of the DNA evidence during transport.
