Dear Friends:

Thank you for generously supporting CHOC Children's through the CHOC Golf Classic event. We are sincerely grateful for this gift of \$33,000.00. As a not-for-profit hospital, CHOC Children's relies on the community's philanthropic support to nurture, advance and protect the health and well being of children.

Over the past 10 years, CHOC Children's has distinguished itself as the fastest growing free-standing hospital in California. Last year over 205,000 children came through our doors for inpatient, outpatient and emergency room visits — regardless of their family's ability to pay. On behalf of all of these children, thank you for supporting CHOC Children's Hospital.

Sincerely,

Kimberly Chavalas Cripe
President and Chief Executive Officer

Dear Marco & Jana:

Thank you for giving your time and resources to coordinate the Deltha O'Neal Jock-N-Bowl Benefit and Target Shopping Spree benefiting 26 deserving children of Lighthouse Youth Services. It was a pleasure working with your team on such a fun and worthwhile cause. I express deep appreciation on behalf of the troubled, abused, and neglected kids that we serve.

Lighthouse has consistently fostered a caring environment that places youth and families first. Your generosity and sense of responsibility to our community is inspiring to those committed to providing our youth with the care, support, and opportunities they deserve. Deltha O'Neal is a humble, kind, and down-to-earth gentleman. He treated our kids like they were the most important young people on earth.

Again, thank you for choosing Lighthouse Youth Services. We are a successful service agency because of people such as you. We wish you and your families a Healthy and Happy New Year!

Sincerely,

Denise Bryers
