

COSTA RICA IN 3...2...1

3 nights and 4 days tour in Costa Rica

This tour will take you to the capital city, a coffee plantation, a volcano, a rainforest, and to a sailing tour in the Pacific.

Tour Details

Background

This tour has the purpose of giving international visitors the opportunity to get to know different geographical areas of Costa Rica and experience the diversity of activities that they can do thanks to the natural diversity that our country has.

Itinerary - Day 1

Arrival to Costa Rica

We will provide the airport pick up and transfer to the lodging in a local hotel.

San José VIP City Bus Tour with meal included (lunch or dinner depending on the time of the tour)

Itinerary - Day 2

Coffee and Nature Experience Tour. This tour includes a visit to Doka Estate coffee farm, where visitors can see how high quality coffee is produced from the seed to the cup of coffee. After that, the tour continues with a visit to Poás Volcano, the one with the widest crater in the country and one of the widest in the world. Next, there is a tour to La Paz Waterfalls Garden and animal sanctuary where there are plenty of animals rescued and protected in the park, also there is a hike to see four big waterfalls from different view points. This tour includes breakfast and lunch. After the activities, we will go back to the lodge in San José.

Departure time: 5:30AM

Itinerary - Day 3

Immerse at the blue Pacific Ocean with a party onboard the catamaran sailing tour and land in Tortuga Island. There, visitors can spend time at the island, enjoy the beach and have a relaxing time. After this one day visit to the island, we will go back to the lodge in San José. This tour includes breakfast and lunch.

Departure time: 5:30AM

Itinerary - Day 4

This day there is breakfast at the hotel and we will provide the airport drop off transportation.
