12-Minute Video

On September 13, 2022, the Monroe City Council meeting voted to request that Union County Pride, Inc. restrict one planned event - the Drag Queen Story Hour & Crafts – only to persons aged 18 and older. Prior to the vote, the City Attorney informed the Council members that the City Council had no legal authority to restrict the event to adults only because the event is not a “sexually-oriented performance” or an “adult performance.” The City Attorney is correct.

Pride's Response

COMMUNITY-WIDE STATEMENT

Response to City of Monroe Resolution

In just a few days, hundreds of supporters and volunteers, businesses and community organizations have come forward to embrace that Union County is a place where, no matter your race, gender, or who you love, everyone can live authentically with pride. We look forward to welcoming our friends and neighbors to celebrate a very happy Pride!

Building Pride in Union will be a celebration and a place where our community can come together, learn about our LGBTQ+ loved ones, neighbors and colleagues, and enjoy each other's company. In preparing for this year's Building Pride in Union festival, Union County Pride, Inc. appreciates the thorough, courteous and professional way in which staff and officials from the City of Monroe have worked with Union County Pride to ensure that the events are safe and accessible for all participants.

However, on September 13, 2022, the Monroe City Council meeting voted to request that Union County Pride, Inc. restrict one planned event - the Drag Queen Story Hour & Crafts - only to persons aged 18 and older. Prior to the vote, the City Attorney informed the Council members that the City Council had no legal authority to restrict the event to adults only because the event is not a "sexually-oriented performance" or an "adult performance." The City Attorney is correct.

As parents, family members, and community members, we would not do anything to harm children. Contrary to the apparent misconceptions and concerns of the Council members, the Drag Queen Story Hour & Crafts event is not sexually-oriented or sexually suggestive. The event is designed for, and will be attended by, children and their parents together. Through diverse and culturally-inclusive children's books, will affirm all children and families, the goals of the event are to "inspire a love of reading, while teaching deeper lessons on diversity, self-love and an appreciation of others."

As a community we support Union County Pride, Inc, Charlotte Area Drag Queen Story Hour, and all the vendors, sponsors, partners, volunteers, and attendees of the 1st Pride event in Union County. As parents, family members, and community members, we will support children, youth, and young adults to express their authentic selves and become bright lights of change in their communities and businesses, organizations to build a community of accepting people who build friendships and business relationships in Union County.

Reason for this Community-Wide Statement

On September 13, 2022, the Monroe City Council meeting voted to request that Union County Pride, Inc. restrict one planned event - the Drag Queen Story Hour & Crafts - only to persons aged 18 and older. Prior to the vote, the City Attorney informed the Council members that the City Council had no legal authority to restrict the event to adults only because the event is not a "sexually-oriented performance" or an "adult performance." The City Attorney is correct.

“It is baffling to me that this council has decided for themselves that now being who you are is inappropriate. We now need to “protect our children” from people who are being their true and authentic selves... It’s truly disturbing to think that this council has turned something as innocent as “Drag Q”

PREPARED BY: Ryan Jones, Parks and Recreation Director
SUBJECT: Facility Use Application Revision

SUMMARY STATEMENT

This revision provides better opportunity for access to parks and community centers by the general public without interruption. In the past, parks and facilities have been available for full park rental for private and public events. Understanding that these facilities exist for the public, these revisions provide appropriate usage by the public.

RECOMMENDATION

Staff requests approval from the General Services Committee to accept this revision and forward to the City Council for approval.
