

# Regulators: How to Obtain Free Access to the FRPath Global FRP Portal

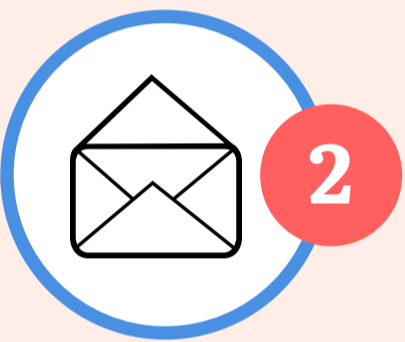

Follow these easy steps to set your password to access a world of details about Facilitated Regulatory Pathways

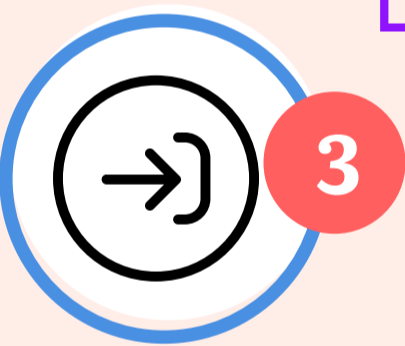

## Request A Password

Click here <https://portal.bmgf.erudee.org/request> and complete the information form. A message will be sent to the FRPath administrator to review your request.

## Look for an Email from FRPath

Look for an email from the FRPath Project. It contains a link to allow you to set up your access password.

## Log Into the FRPath Global Portal

Once you have created a password, access the FRPath Global Portal through this link: <https://portal.bmgf.erudee.org/login>

Enter your email address and password. Be sure to **bookmark this link** and save your password. This will bring you to the Portal Dashboard.

## Navigate From the Portal Dashboard

- Click **ALL FRPs** to access details of hundreds of pathways
- Click **AGENCY PROFILES** to see details of hundreds of regulatory agencies
- Try using the **SEARCH** function to find FRPs of interest

## Suggest an Edit

When reviewing an FRP profile, if you would like to suggest a change or add new information, click the **SUGGEST AN EDIT** option. Follow the instructions and we will consider your suggestions.

## Compare FRPs

Are you interested in comparing the characteristics of two pathways? When viewing one of the pathways, click **COMPARE WITH OTHER FRP**. You will see a side-by-side comparison of the characteristics of the two pathways.

## Ask for Help

Looking for information but can't find it in the system? Do you have suggestions for improving the FRPath Portal? Would your organization like training on how to use FRPath?

Send us an email at [frpath@erudee.org](mailto:frpath@erudee.org)
