

Help Arlington Nab **\$136 MILLION++++ MORE** in Census-Based Funding

LOW CENSUS RESPONSE RATES!

Within the HANA district, three key Census tracts report a combined response rate of just

GASP

37.2%
as of 9/1/2020

THAT'S REALLY LOW!

LOW CENSUS RESPONSE

= MILLIONS \$\$ LOST

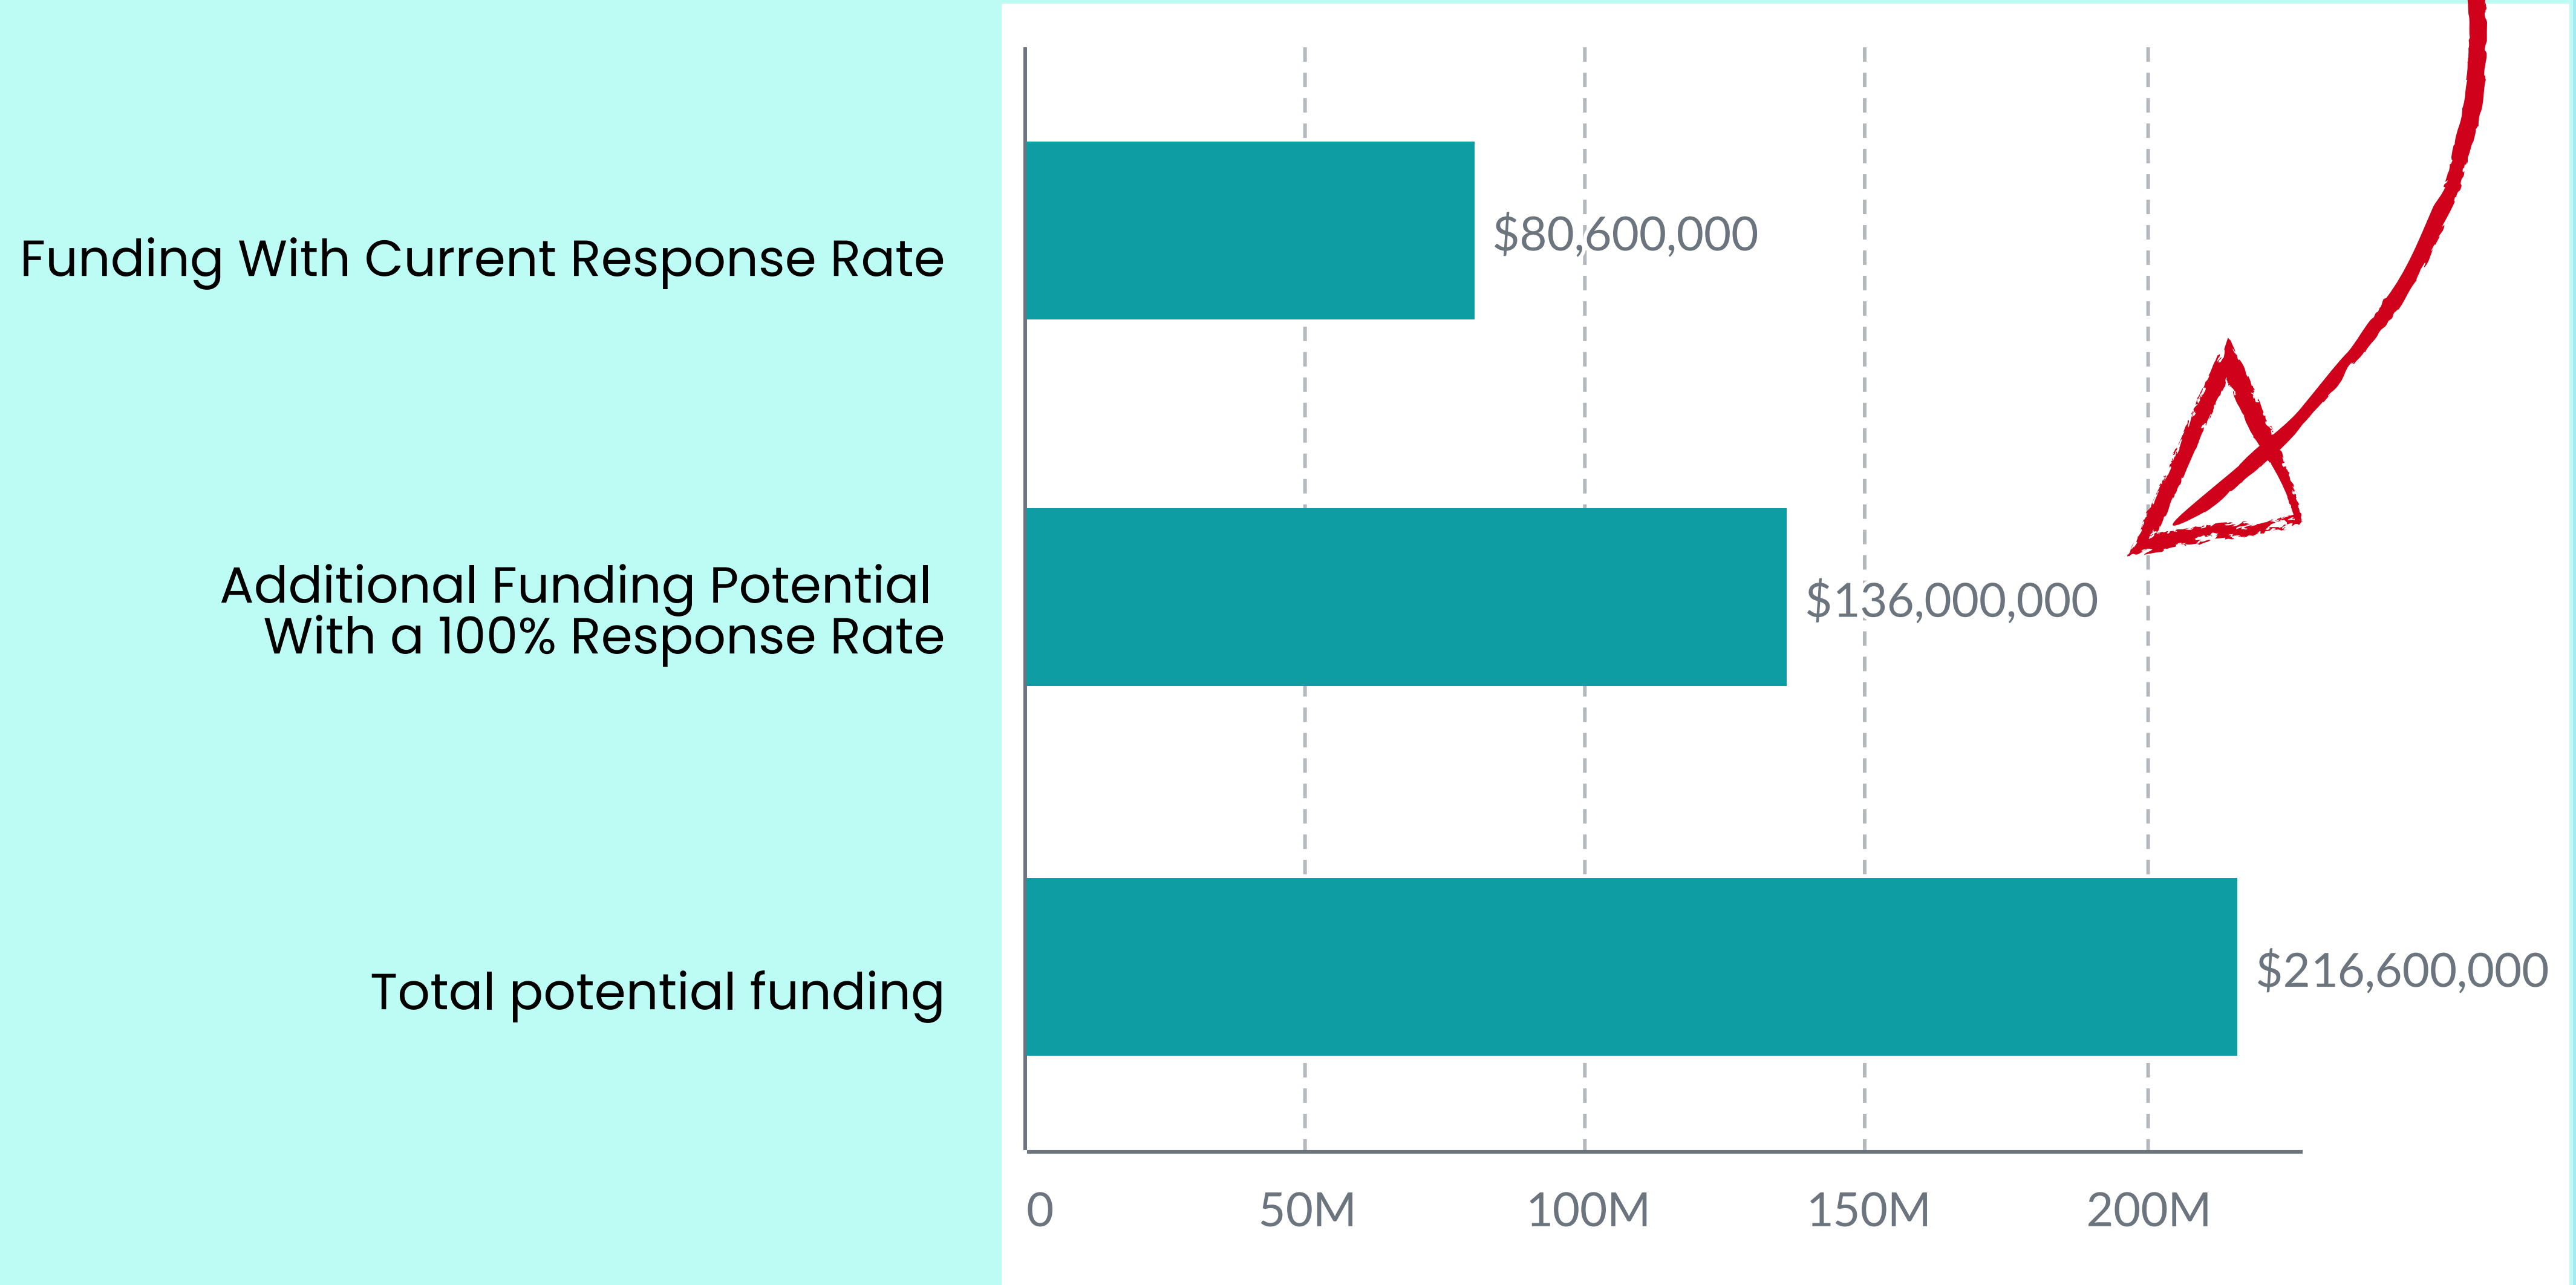

EXAMPLE

Arlington receives \$16,000 for each **counted** person to fund city services over the next 10 years: Highway planning & repair, emergency services, and more!

Based on the current 37.2% Census return rate, Arlington has \$136 million in federal funding available that will instead go to another community!

That's **\$136 million left on the table**, just within these three Census tracts!
