

Chapter's Initiatives

- 1) **Get School Approval:** work with your school admin to get your chapter recognized as an official club (we can provide a letter of support if needed)
- 2) **Recruit Your Team:** gather passionate students who share your vision (Pres, VP, Secretary, etc); it's up to the individual's needs
- 3) **Meet with Our Team:** we're scheduling a quick call to discuss your goals, provide guidance, and walk you through the next steps (additional questions can be answered here)
- 4) **Plan Your First Event:** start with an initiative that sets the tone for your chapter's impact (healthcare awareness campaign, fundraiser, volunteer event, etc.)
- 5) **Stay Connected with our HQ:** collaborate with other chapters, and receive ongoing support from our national team (we'll provide resources, training, and opportunities)
 - Please share your achievements throughout your progress to be featured and celebrated along!
