The Alpine Vista Lodge – Elevated Living, Exceptional Investment

Discover a new expression of luxury with the Alpine Vista Lodge, where striking contemporary design meets refined, effortless living. Meticulously crafted for those seeking exceptional design and lasting quality, this is more than a lodge, it is a statement of distinction.

The impressive 40ft x 20ft layout reveals a beautifully curated open-plan space, where a sleek galley kitchen flows seamlessly into the dining and living areas. Vaulted ceilings and expansive floor-to-ceiling glazing bathe the interior in natural light, creating a bright, airy ambience and an elegant connection to the surrounding landscape.

Designed with both relaxation and practicality in mind, the Alpine Vista Lodge features three generously sized bedrooms, including a luxurious master with a private en-suite. A sophisticated family bathroom completes the space, offering a perfect balance of indulgence and everyday comfort.

Specification

Built to standards that surpass BS 3632 residential standards for construction and insulation, the Alpine Vista Lodge offers an exceptional blend of durability, energy efficiency and modern craftsmanship, ensuring long-term value without compromise.

Insulation

We use high performance fire-resistant insulation for excellent energy efficiency. At Mulberry, we even install insulation throughout the internal wall for superior warmth and sound insulation.

Floor: 150mm
Walls: 100mm
Ceiling: 200mm
Internal walls: 100mm

Refined Interiors

A robust, sealed timber frame is paired with premium finishes, including plush soft-touch carpets and elegant wood flooring, bring warmth, texture, and sophistication to every room.

Wall Construction

- Choice of beautifully finished, low-maintenance exterior cladding, natural larch or a mix of the two.
- Precision-engineered timber frame with reinforced OSB boarding.
- 12.5mm Smooth plastered internal walls for a flawless finish.

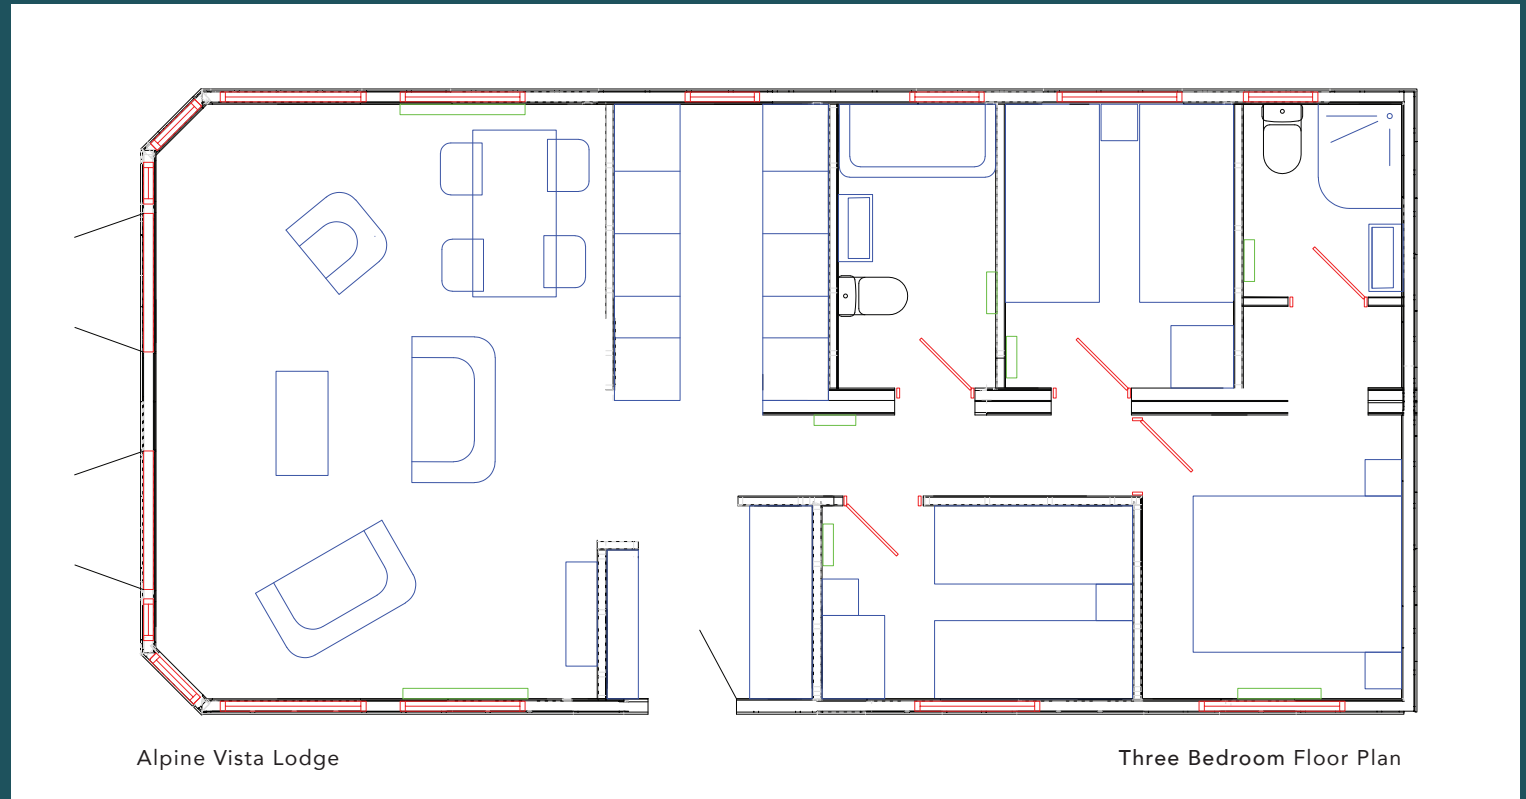

Roof Construction

- High-performance roof tiles with a 50-year weatherproof guarantee.
- Protective underlayer for enhanced durability.
- 12.5mm Smooth plastered internal ceiling finish, for a clean contemporary look.

Features & Finishes

Every detail has been carefully considered to enhance your living experience:

- High-performance double glazing for maximum light and thermal efficiency.
- Energy-efficient combi boiler with programmable thermostat.
- Carefully selected, high quality fixtures and fittings throughout.
- Optional furniture packages for an effortless, turnkey move-in.

For complete peace of mind, every Alpine Vista Lodge includes:

- Two year manufacturer's warranty
- Ten year structural warranty
- Integrated kitchen appliances

A fully managed delivery and installation service is available, providing a seamless, turnkey experience from order to completion.

A Smart choice for Modern Living

Perfectly suited to premium residential settings, the Alpine Vista Lodge offers a refined, low-maintenance lifestyle defined by quality and efficiency. It's design ensures year-round comfort, while high-spec materials and expert craftsmanship create a home that is both luxurious and built to last, delivering an exceptional living experience and enduring value.
